Welcome Back!!!

Welcome back to a brand-new school year at Southmoreland! This year is filled with exciting opportunities for our students across all grade levels.

At the elementary level, we are introducing new programming designed to build strong foundations for future learning. In both the middle school and high school, students will have access to a wider range of elective courses tailored to their interests, helping them explore passions and develop skills that prepare them for their next steps.

We are also rolling out new curricular resources, with a special focus on Science, to ensure our students are engaged with modern, hands-on learning experiences.

In addition, you'll notice the results of our recent facility improvements across both campuses—spaces that are safer, brighter, and better equipped to support student learning and extracurricular activities.

Thank you for your continued support as we work together to provide the best for our students. Let's make this year one of growth, achievement, and pride for the entire Scottie community!

Labor Day - No School

This is a reminder that there will be no school for students or staff on Monday, September 1st, in observance of Labor Day. Classes will resume on Tuesday, September 2nd.

We hope you enjoy a safe and relaxing holiday weekend with your families!

Beginning of the Year Assessments

Over the next several weeks, our students will be participating in beginning-of-the-year assessments. These assessments are not graded; rather, they help us better understand each student's current ability levels. The information gathered will allow our teachers to chart a personalized path forward for every student and ensure that instruction is tailored to meet their needs.

- **Peace of Mind:** Protects against unexpected repair costs, reducing the financial burden on families.
- **Simple Enrollment:** Easy and hassle-free enrollment process.

Keep your child's learning on track by enrolling in the Device Insurance Program today!

Device Insurance

As the school year begins, we encourage all families to sign up for our Student Device Insurance Program. This program provides affordable protection for the Chromebooks and devices students use every day for learning.

Accidents can happen—screens crack, keyboards break, and devices are sometimes lost or damaged. Having insurance ensures that your child's device can be repaired or replaced quickly, without unexpected costs, so their learning is not disrupted.

Please take a moment to review the program details and complete your enrollment. Being covered now gives peace of mind for the entire school year.

Thank you for partnering with us to keep our students connected and prepared for success.

Picture Days

We are looking forward to our upcoming School Picture Days! This is a great opportunity for students to capture a memory of the school year and for families to order keepsake photos.

Information about dates, ordering options, and packages will be sent home with students and is also available on our district website. Please be sure your child is prepared on their scheduled day.

Southmoreland Education Foundation Golf Outing

Please join us for the Southmoreland Education Foundation Golf Outing at Glengarry Golf Links on Saturday, October 4. Proceeds will benefit both our Champions Club and the Southmoreland Education Foundation—which last year awarded a \$2,500 grant to support a Reading Program at SPC and two \$1,500 scholarships to Southmoreland students.

Your participation—whether as a golfer, sponsor, or volunteer—directly supports programs that enrich our students' experiences.

When: Saturday, October 4

Where: Glengarry Golf Links

How to participate: Register a foursome, become a sponsor, or donate an item for raffle/auction.

Thank you for helping us invest in our students and community. We hope to see you on the course!
