BUNNY FINGER PUPPETS CONTEST DEADLINE - APRIL 2
EASTER BOOK DISTRIBUTION

How to Catch the Easter Bunny

It is easy to see why this illustrator and author are on the *New York Times* Bestsellers! Love all the names for the Easter Bunny! What pet names do you have for your baby!

Children will love hearing the adventure of all the traps the skillful bunny escapes. Can you remember them all and his skills? Of course, we know who his favorite kid is – YOURS!

Again, when your child is ready for rhyme, pick out similar sounding syllables such as "crew" and "you", "home" and "roam", "plate" and "bait", "strife" and "life" and more!

Bunny Finger Puppets Project

Create and design finger puppets that look like bunnies using the colored paper you've been provided.

Be CREATIVE and feel free to include added sensory detail!

Now use the puppets to play "catch me if you can" and send us a picture of your puppets along with a video of your play.

A candy-filled and surprise eggs basket will be awarded to the winner!

Example Project

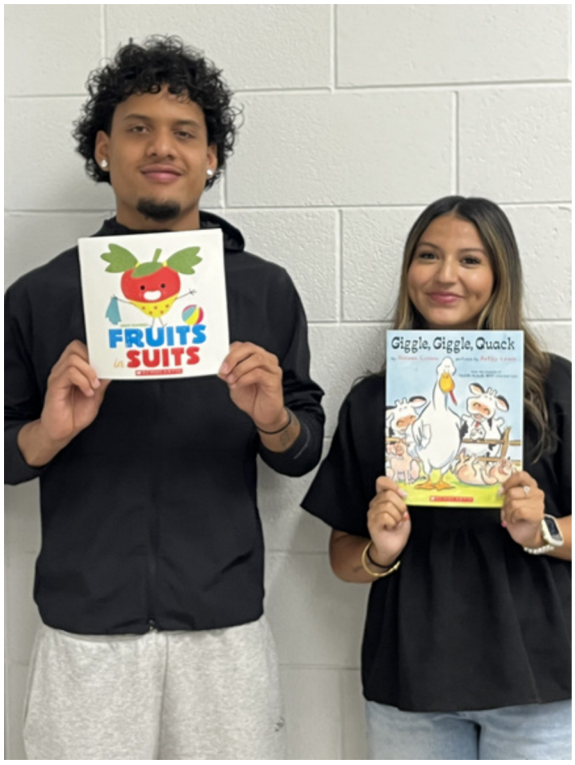

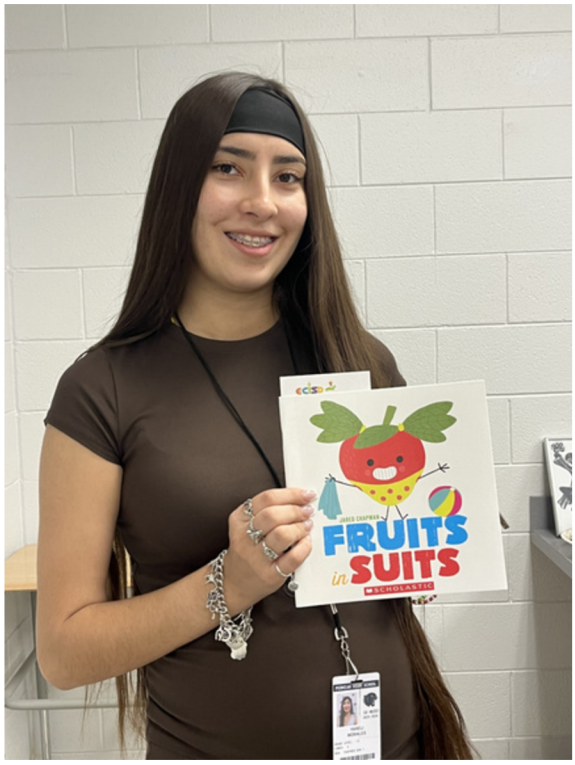

REMEMBER, children learn best when parents are in on the fun!

BABY BUMP BOOK PROGRAM

Early Literacy begins with supporting young families from the very start. As soon as students enroll, they receive books to help foster a love of reading. We encourage expectant mothers to begin reading to their babies even before birth, helping build early language connections and laying a strong foundation for lifelong learning. Pictured are our students: Ava, Cayden, and Yareli receiving their book, ready to share the joy of reading with their baby.
