Hello Miller Families!

Miller Elementary hosted a successful Literacy night! We had games, a craft, a FREE book for each student, and a snack with a drink. Students were also able to enter their name in a drawing for a FREE game. After the fun evening, all students in the school were able to choose 2 FREE books the next day.

You should have received information regarding the district's summer school program. This is a great chance for students to work on reading and math skills, but they can also choose some other enrichment activities. FREE breakfast and lunch are available.

Registration is due by May 9th. Attached is the registration form. Please use the QR code to register your student(s).

Reminder:

- Monday, May 26—NO SCHOOL (Memorial Day)
- **Wednesday, June 4: LAST DAY OF SCHOOL (1/2 day for students)**

Wishing you all a healthy, happy, fun summer! **See you at Open House on Tuesday, Aug. 26th from 4-6 p.m. to meet your teachers for the 2025-2026 school year!! First day of school is Tuesday, September 2, 2025!!**

Reading Statistics

1

Reading is 300% better at reducing stress than walking and 700% better than playing video games.

2

Literacy influences how we learn, make decisions, work, and socialize in the community with others.

Reading Resources for Parents.....

<https://www.splashlearn.com/>

Something new to choose from, every day

With thousands of games, playsheets, books and videos at their fingertips, your child will never want to stop learning

Playsheets

Practice sheets - in a fun avatar - for extra reinforcement

Math & English | Preschool to Grade 5

Kids see *fun*.
You see real *learning outcomes*.

Watch your kids fall in love with math & English through our scientifically designed curriculum.

Parents, try for free

Teachers, use for free

Join millions of confident learners

Comprehension Reading Tips & Strategies...

AUTHOR'S PURPOSE

Preview the text.

Set a purpose for reading.

Is it a book to enjoy, inform, or persuade?

SUMMARIZE

Retell what you have read in your own words.

INFER

Use what you already know and text clues to understand what the author didn't say.

EVALUATE

Think about the text as a whole and form opinions about what you read.

SYNTHESIZE

Let your thinking grow and change as you read.

MAKE CONNECTIONS

Connect what you read with world events, personal experiences, or other stories.

PREDICT

Use clues from the pictures or text to make a guess about what happens next.

VISUALIZE

Make a mental picture or movie in your mind as you read the text.

QUESTION

Ask and answer questions to make sure you understand what you are reading.

Why? Who?
How? Where?
Which? When?

CAUSE & EFFECT

Think about what happened in the text and why it happened.

COMPARE & CONTRAST

Think about how two or more things in the text are alike and how they are different.

FACT & OPINION

Determine if information in a text is factual or based on the author's beliefs and feelings.
