

Eagle News

Anderson Island Elementary

March 27, 2026

Good afternoon Eagle Families,

We wrapped up another strong week here at Anderson Island Elementary, and as always, I'm proud of the way our Eagles continue to show up, put in the work, and stay Anchored in Excellence. It's not just something we say—it's something our students live out each day through their effort, attitude, and commitment to learning.

Next week is Conference Week, which means we'll have half days on Wednesday, Thursday, and Friday. This is an important time for us to connect, celebrate growth, and talk about next steps for each student. We value these conversations and appreciate your partnership in supporting your child's success.

Following Conference Week, we head straight into Spring Break—a well-earned opportunity for everyone to rest, recharge, and spend time together. Our Eagles have been working hard, and we're excited for them to enjoy some downtime before we come back ready to finish the year strong.

As we head into this stretch, the message stays the same—keep showing up, keep putting in the work, and keep pushing forward. That's how we grow. That's how we succeed. That's how we stay Anchored in Excellence.

Have a great weekend—get some rest, get outside, and keep reading.

Have a great weekend.

- Mr. Miller

(Extended Day)

Zoo Fieldtrip
Thursday, April 23, 2026
EXTENDED DAY
Ferry Depart 8:55 am
Ferry Return 2:45 pm
* students will arrive home later than usual

NOTES from Mrs CUNNINGHAM

Believe it or not, Spring has arrived! We like to go outside, rain or shine, so please send your student dressed for the weather. You are welcome to send an extra pair of shoes and socks to stay in the classroom.

This week was filled with learning and laughter. On Monday we were lucky enough to have PE outside in the sunshine and students worked on their ball kicking skills and Tuesday we created optical illusions in STEAM. Wednesday and Thursday were filled with fantastic library and music classes. On Friday, we ended the week with a walk to the outside classroom.

Next week will only have 2 full days and then half days Wed.-Friday. There is still time and space to sign up for a Spring Conference (in person or ZOOM). Sign-ups are in ParentSquare, however if you need help please call the office 253-884-4901.

Upcoming dates:

April 1-3 - 11:30 dismissal

April 1-3 - Spring Conferences

April 6-10 - Spring Break

April 23 - Point Defiance Zoo Field Trip
