

# KIDZ STEM CLUBS

3D PRINTING AND DESIGN

APRIL-JUNE SESSION

LEARN MORE & REGISTER:

## Calling All 3D Designers!

In this fun, skill-based afterschool club designed for beginners, we'll learn all about the fascinating world of 3D Design and Printing. Through weekly sessions we'll explore the fundamentals of 3D design while creating 3D projects in Tinkercad software. Each participant will leave the club knowing the basics of creating 3D designs, a 3D print of their own creation, and new friends made at the Y!
