Spring Recess

2 Hr Early Dismissal - April 1

No School - April 2, 3, 6

Classes Resume - April 7

Spring Recess

Spring Recess begins next Wednesday, April 1, with a 2-hour early dismissal for all students.

There will be **no school from Thursday, April 2 through Monday, April 6**. Classes will resume on **Tuesday, April 7**.

We encourage all students to take this time to **rest, recharge, and enjoy time with family and friends**. When we return, we'll be in the home stretch....ready to finish strong with **Spring Assessments** and the remaining units in our curriculum offerings.

Have a safe and relaxing break!

Marking Period 3

Is Almost Over!!

End of 3rd Marking Period

This is a reminder that the **Third Marking Period ended on Thursday, March 26.**

We encourage all students to review their grades and complete any missing assignments or assessments, if allowed. Our staff is always willing to support students and work with them to ensure they finish the marking period strong.

Thank you for your continued partnership in supporting student learning and success.

SHS Wellness Fair

Today, our students had the opportunity to take part in an outstanding **SHS Wellness Fair**, and it was great to see such high levels of engagement throughout the event.

A huge thank you to **Weslev Services** for hosting and organizing such an

incredible experience for our students. With over 25 vendor tables, there was truly something for everyone. Students had the chance to visit each station, participate in a wide range of activities, and earn tickets for prize drawings along the way, adding an extra level of excitement to the day.

>From rock painting and planting sunflowers to using impairment goggles and learning more about mental health, overall wellness, and fitness, the event provided meaningful, hands-on experiences that reinforced the importance of taking care of both our physical and mental well-being.

Opportunities like this go a long way in supporting the whole child, and we are grateful for the strong partnerships that help bring these experiences to our students.

Thank you to everyone who helped make today a success.

SMS Financial Reality Fair

Today, our 7th grade students at Southmoreland Middle School had the opportunity to participate in our **Financial Reality Fair**, and it was an outstanding experience for everyone involved.

This hands-on event placed students in real-life financial scenarios, where they were asked to make decisions about budgeting, spending, and saving, giving them a firsthand look at the responsibilities that come with managing money. It was great to see our students fully engaged, thinking critically, and beginning to understand the impact of everyday financial choices.

A special thank you to the many volunteers who helped make this event possible. By staffing financial booths and working directly with our students, they played a critical role in guiding conversations and helping bring these real-world lessons to life.

Experiences like this are exactly what we strive to provide: opportunities that connect learning to life beyond the classroom and help prepare our students for the future.

We appreciate everyone who contributed to making today a success and look forward to continuing these meaningful learning experiences for our students.

SHS Graduation Ceremony

As we begin to look ahead to the end of the school year, we are excited to share plans for this year's Graduation Ceremony at Russ Grimm Field. With the recent upgrades to the facility, including the new scoreboard and sound system, we are looking forward to providing a special and memorable experience for our students, families, and community.

Graduation is scheduled for **Wednesday, May 27th at 7:00 PM**, with a rain date of **Thursday, May 28th at 7:00 PM**. If weather does not cooperate on both evenings, we will move the ceremony indoors on **Friday**.

We recognize that having multiple possible dates can make planning more difficult for families, and we truly appreciate your flexibility. At the same time, this approach allows us to provide the best possible setting for our students. Spring weather in southwestern Pennsylvania can change quickly, often impacting outdoor events on a day-to-day basis. By planning across three dates, we are working to create the most optimal environment for our graduates while minimizing last-minute disruptions.

This model is one that several neighboring schools have successfully

used over the past decade, and it has proven to be an effective way to balance weather challenges with the goal of holding an outdoor ceremony whenever possible.

A final decision on whether the ceremony will be held outdoors will be made by **3:00 PM each day**, allowing families time to plan accordingly. Tickets will be distributed as if the ceremony will be indoors, but they will not be needed if we are able to hold the event outside.

We appreciate your understanding and support as we work to make this a meaningful and memorable experience for our graduates.

Thank you for staying connected and supporting our Scottie family!

At Southmoreland, we cultivate learners that.....

A

Accountability is developed through honesty, accepting responsibility, meeting obligations, learning from mistakes, fostering trust and reliability.

R

Resiliency involves bouncing back from challenges, adapting to adversity, maintaining optimism, persisting through difficulties, fostering strength and growth.

C

Citizenship is demonstrated through respectful behavior, participation, volunteering, and community service, fostering positive contributions.

E

Empathy is shown through understanding, compassion, perspective-taking, supporting others, fostering connection and mutual respect.
