Dear 9th–11th Grade Families,

We invite you to join us for the **Bellevue and Mercer Island School Districts' Spring Mock Admission Case Study and College Fair** on **Wednesday, April 22 at Mercer Island High School**. This is a great opportunity to learn more about the college admission process and connect with colleges from around the country.

During the **Mock Admission Case Study (5:30–6:45 PM)**, college admission representatives will walk participants through a sample application and discuss how admission decisions are made. You'll get a behind-the-scenes look at what colleges consider, what helps students stand out, and how admission committees evaluate applicants. **Registration is required for this portion of the evening—[click here to register](#).**

Following the case study, families are invited to attend the **College Fair (6:45–8:15 PM)**, where you can meet admission representatives from a wide range of colleges and universities, ask questions, and start exploring postsecondary options.

This event is especially valuable for **11th grade students and families** who want to better understand the college admission process and begin thinking about next steps. **9th and 10th grade families are also welcome to attend.**

We hope you'll join us for this informative and engaging evening. More details, including a list of attending colleges, can be found on the event website: [Mock Admission Case Study and College Fair](#).

We look forward to seeing you there!
