Spring has arrived, bringing warmer weather and more time outdoors! Please keep in mind that temperatures can still vary throughout the day, so it is important for students to come to school with a coat or jacket. We will continue to go outside as long as the weather cooperates.

Additionally, we kindly ask all families to place a set of spare clothing, including underwear, in your child's backpack. This ensures students are comfortable and prepared in the event of an accident or spill.

Thank you for your support in helping us keep students safe, comfortable, and ready to learn!

Next week our third and fourth graders will kick off MCAS testing. The students, teachers, specialists, and support staff have been working hard all year to prepare

students to do their best!

Please make sure you mark these dates on your calendar if you have not already done so. Additionally, please avoid scheduling appointments or vacations on these days and make sure your student arrives to school on time on their testing dates.

As always, please continue to offer your child words of encouragement and praise. We are confident that they will be successful during the testing sessions! Thank you for your continued support!
