2 Purpose of the Policy

The purpose of this policy is to confirm that Slough & Eton CofE Business & Enterprise College:

- follows the correct procedures when considering the arrangements for a candidate entered for multiple examinations timetabled for the same day
- reserves the right to exercise discretion when considering allowing a candidate to take an examination the following morning
- has appropriate arrangements in place to maintain the security and integrity of the examination(s)

3 Overnight Supervision Arrangements

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for GCE examinations (AS, A2, A-level), including approved extra time allowances and/or supervised rest breaks, or
- more than five and a half hours for GCSE examinations, including approved extra time allowances and/or supervised rest breaks

candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays (ICE8.1).

- Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted (ICE8).
- The head of centre must be satisfied with any arrangement for overnight supervision of a candidate where necessary and must accept full responsibility for the security of the examination throughout (ICE 8).
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1).
- The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes email, internet, online streaming services, printed media, radio, social media (including messaging apps), telephone and television (ICE 8.6)

4 Roles and Responsibilities

The role of the head of centre

- Ensure where a candidate takes an examination the following morning, a member of centre staff or an invigilator is appointed to supervise the candidate at all times while the candidate is on the premises sitting examinations (ICE8.4).
- Be satisfied that the arrangements maintain the integrity and security of the examination (ICE8.8).
- Inform the relevant awarding body immediately of any known or suspected contravention of the arrangements for overnight supervision of a candidate (ICE8.8).

The role of the exams office/officer

- Discuss with an affected candidate all possible options to resolve, within the same day, their timetable clash of multiple examinations, only applying overnight supervision arrangements as a last resort and once all other options have been exhausted (ICE 8).
- Re-arrange any examination that cannot be taken in the scheduled afternoon session for the

following morning, ensuring if an examination is deferred from Friday afternoon, it is re-arranged for Saturday morning (ICE8.10).

- Ensure the JCQ Overnight Supervision and Overnight Supervision Declaration forms are completed before the overnight supervision is to commence (ICE8.7).
- Confirm the supervision of a candidate on journeys to and from the centre and overnight which may be undertaken by the candidate's parent/carer or centre staff. The centre must determine a method of supervision which ensures the candidate's wellbeing (ICE 8.5).
- Download the JCQ Overnight Supervision Declaration form for signing by the candidate, the supervisor and the head of centre (ICE8.7).
- Inform the parties involved that any infringement of the conditions governing overnight supervision arrangements may lead to the awarding body being unable to accept the script and/or the application of sanctions/penalties, as detailed in the JCQ publication Suspected Malpractice: Policies and Procedures (ICE 8.8).
- Keep all completed forms available for inspection until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later, and not send to an awarding body, unless specifically requested (ICE8.8).
- Ensure where a candidate takes an examination the following morning, the candidate is under centre supervision from 30 minutes after the awarding body's published starting time for the delayed examination and ensure there is no contact with other candidates who have already taken the examination (ICE8.4).
- If a candidate is allowed to take an examination on a later day than other candidates at the centre, ensure all copies of the question paper used on the earlier day are sealed in an envelope and returned to the centre's secure storage facility until all candidates at the centre have taken that examination (ICE8.11).
