NORTH MYRTLE BEACH HIGH

March 29, 2026

PRINCIPAL'S MESSAGE

Thank you to our amazing PTO for the new umbrellas for our courtyard.

That's a wrap on the 3rd quarter! Only one quarter remains before we celebrate the graduation of the Class of 2026. It feels like just yesterday I was telling students in a class meeting how quickly the time would pass, and here we are. I hope all of our students are in a strong position with their grades and attendance as we head into these final weeks. Let's stay focused on finishing assignments and exams while also enjoying the many exciting spring events at NMBHS.

If you haven't already, be sure to join us for our spring production of *SpongeBob: The Musical*, running April 24-26 and May 1-3. Ms. Link, Mr. DiLeo, and our talented theatre students always deliver an incredible performance, and this one is sure to be the best yet. We have a short week ahead, as Spring Break begins Friday, April 3. Please note that Thursday, April 2, will be a full, regularly scheduled school day. Let's make it a great week, Chiefs! Enjoy your time with family and friends over the break, and have a wonderful Easter.

Ms. Morrow

CHIEF SPOTLIGHT

This week, our Chief Spotlight shines on our Performing Arts students, who are enjoying an unforgettable trip to Tennessee. We are incredibly grateful for the time and effort that goes into planning experiences like this, which provide our students with meaningful opportunities to grow, explore, and be inspired beyond the classroom.

As warmer weather approaches, we've noticed an increase in students arriving out of dress code. Please take a moment to review the dress code policy outlined in the Student Guide on our school website. All athletic leisure wear must meet dress code requirements. Shirts may not expose a student's back or undergarments, and rompers must be fingertip length with shorts worn underneath. Additionally, shirts must fully cover the midsection and extend to hip length. Please remember that dress code violations are considered Level One discipline incidents and will be documented in a student's PowerSchool record, along with appropriate consequences.
