ELIGIBILITY

Students must be enrolled in the district, and student records must indicate a high probability of success as evidenced by performance on district and state assessments, course grades, and/or prior instruction outside Texas public school.

DATES AND LOCATION

All exams will be online (no paper formats) through district proctoring only. Tests will be given at the student's enrolled campus. Students have 3 hours to complete each exam. No more than 2 exams may be taken on the same test date. Students may not take tests to accelerate more than one grade level in same testing window. Tests will not be ordered for the second grade level/semester until after passing the first grade level. Students may retake each test one time. Retests are not available during the same testing window. Retests are not available for initial tests taken in Window 2. Each campus will determine the individual testing schedule during the testing week and communicate the dates and times to parents.

Window 1: June 8-11 2026 (recommended for first time testing)

Window 2: July 20-23, 2026 (recommended for retesting or accelerating out of a second grade level/semester)

*Parent requests for tests dates outside of the district published dates are subject to staff availability and parents assume the cost of the exam. Exams administered during a district published date are provided at no cost to the parent. Exams are ordered at the time registrations are received. All exams are nonreturnable, nonrefundable, and nontransferable. If your child doesn't take the requested exam(s) or doesn't take the requested exam(s) on the district date, parents will be responsible for reimbursing Orenda for the cost of each exam.
