

Trinity Ranch Elementary Parent and Family Engagement Policy (2025-2026)

Trinity Ranch Elementary School in Elgin ISD has jointly developed this parent and family engagement policy in order to engage and coordinate with parents and families, with a mission to support children in their academic success and to connect to our community's goals for EISD students' academic success and future opportunities.

TRES shares information about events with parents in multiple ways. Parents can also reach out to the campus office for more information. Communications are provided in Spanish and English according to the EISD translation procedures.

- Friday communication folders
- Campus website
- Email and Text through SchoolStatus
- Parent Newsletter
- Social Media

Parents and families can be involved and contribute suggestions for parent and family engagement programs and policy by participating in the Campus Advisory Committee and attending parent meetings and events. Communication is two-way with prompt response to parent suggestions.

- Planning, review, and continuous improvement
 - Title I, Part A programs in the Campus Improvement Plan (Parents may submit comments regarding the Campus Improvement Plan via email and/or Reach the E)
 - Parent and Family Engagement Policy
 - Student Success Compact
 - Educator training suggestions on the value and contributions of parents/families
- Parent Surveys are distributed throughout the school year.

- Parents may request a meeting by contacting their child's teacher or the campus office.

Annual Title I, Part A Meetings are open to all parents, and participation is encouraged. The meetings are held in the fall of each year on 2 different days and times to ensure all parents are able to attend. Information about the Title I, Part A program, activities on the campus, the requirements of Title I, Part A, the right of parents to be involved, and information on the campus curriculum and instruction are discussed with parents. In addition, parents are provided information to better understand achievement levels on the challenging State academic standards and to participate in decisions relating to the education of their children.

In addition to the Annual Title I, Part A Meeting, there are other opportunities throughout the year for parents to better understand:

- State academic standards
- Forms of assessment
- Student progress and scores
- Working with educators to improve achievement
- Training in utilizing materials to help parents work with their children to improve achievement

Educator Training for staff at TRES is conducted throughout the year for teachers, instructional support, principals, and other staff. Topics covered may include:

- Value and utility of contributions of parents/families
- Reaching out and communicating with parents
- Working with parents as partners
- Implement and coordinate parent programs
- Building strong connections between parents and the campus
