

CLARK COUNTY SCHOOL DISTRICT REGULATION

R-6121

SECONDARY COURSE OFFERINGS

- I. The Clark County School District (District) recognizes that a formal system of curriculum design and implementation shall be developed to establish secondary course offerings. The standards and goals shall provide the basis for secondary course offerings in the District.
- II. The District will form a Curriculum Commission.
 - A. The Curriculum Commission will be composed of secondary school administrators and secondary licensed educators.
- III. The responsibilities of the Curriculum Commission include:
 - A. Review applications for new, revised, and retired secondary courses;
 - B. Review the course Scope and Goals that accompanies the new and revised course applications; and
 - C. Approve and/or deny applications for new, revised, and retired secondary courses through parliamentary procedures.
- IV. The Superintendent of Schools or designee is responsible for the secondary course offerings in the District.
