

VEHICLE SEARCHES ON SCHOOL GROUNDS

The privilege of bringing a student-operated motor vehicle onto school premises is hereby conditioned on consent by the student driver to allow the search of that motor vehicle when there is reasonable cause for a search of that motor vehicle. The act of bringing a motor vehicle upon school premises will allow school officials to presume consent by the student, parent or guardian, or owner of the vehicle for a search of that motor vehicle. Refusal by a student, parent or guardian, or owner of the vehicle to allow access to a motor vehicle on school premises at the time of a request to search the motor vehicle will be cause for termination, without further hearing, of the privilege of bringing a motor vehicle onto school premises. The Principal, or a building administrator, may also request a law enforcement officer to search a motor vehicle on school premises, subject to provisions of this policy.
