The Governing Board believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, going to or coming from school, at school activities, or using district transportation.

Behavior is considered appropriate when students are diligent in study, careful with school property, courteous and respectful towards their teachers, other staff, students and volunteers.

The Superintendent or designee will ensure that each school site develops standards of conduct and discipline consistent with district policies and administrative regulations.

Students and parents/guardians will be notified of district and school rules related to conduct and students shall receive instruction regarding these rules. In addition, parents/guardians and students may be provided information about early warning signs of harassing/intimidating behaviors as well as prevention and intervention strategies.

Student cell phones, including, but not limited to, text messages and digital photos, may be searched by the district, under limited circumstances, in accordance with the limitations imposed by state and federal law. Specifically, school officials may not search students' cell phones, including the accessing and reading of their text messages and digital photos, unless those officials:

2. The scope of the search is reasonably related to the objectives of the search and not excessively intrusive in light of the nature of the alleged infraction.

The Governing Board is determined to provide a safe, positive environment where all district employees are assured of full and equal employment access and opportunities, protection from harassment and intimidation, and freedom from any fear of reprisal or retribution for asserting their employment rights in accordance with law. For purposes of this policy, employees include job applicants, interns, volunteers, and persons who contracted with the district to provide services, as applicable.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of the employee's actual or perceived race, color, ancestry, national origin, age, religious creed, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran or military status, sex, sexual orientation, gender, gender identity, gender expression, or association with a person or group with one or more of these actual or perceived characteristics.

Employers are also prohibited from discrimination against employees or job applicants on the basis of reproductive health decision making, defined as a person's decision to use or access a particular drug, device, product, or medical service for reproductive health. (Government Code 12926, 12940)

The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that the district is required to do so in order to comply with federal immigration law. (2 CCR 11028)

Discrimination in employment based on the characteristics listed above is prohibited in all areas of employment and in all employment-related practices, including the following:

1. Hiring, compensation, terms, conditions, and other privileges of employment
2. Taking of adverse employment actions such as termination or denial of employment, promotion, job assignment, or training
3. Unwelcome conduct, whether verbal, physical, or visual, that is so severe or pervasive as to adversely affect an employee's employment opportunities or that has the purpose or effect of unreasonably interfering with the employee's work performance or creating an intimidating, hostile, or offensive work environment
4. Actions and practices identified as unlawful or discriminatory pursuant to Government Code 12940 or 2 CCR 11006-11086, such as:
5.
    a. Sex discrimination based on an employee's pregnancy, childbirth, breastfeeding, or any related medical condition or on an employee's gender, gender expression, or gender identity, including transgender status
6.

b. Religious creed discrimination based on an employee's religious belief or observance, including religious dress or grooming practices, or based on the district's failure or refusal to use reasonable means to accommodate an employee's religious belief, observance, or practice which conflicts with an employment requirement

7.

c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

8.

d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

e. Requiring an applicant or employee to disclose information relating to the employee's reproductive health decision making

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. No employee who requests an accommodation for any protected characteristic listed in this policy shall be subjected to any punishment or sanction, regardless of whether the request was granted. (Government Code 12940; 2 CCR 11028)

No employee shall, in exchange for a raise or bonus or as a condition of employment or continued employment, be required to sign a release of the employee's claim or right to file a claim against the district or a non-disparagement agreement or other document that has the purpose or effect of preventing the employee from disclosing information about harassment, discrimination, or other unlawful acts in the workplace, including any conduct that the employee has reasonable cause to believe is unlawful. (Government Code 12964.5)

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation.

Any supervisory or management employee who observes or has knowledge of an incident of prohibited discrimination or harassment, including harassment of an employee by a non-employee, shall report the incident to the Superintendent or designated district coordinator as soon as practical after the incident. All other employees are encouraged to report such incidents to their supervisor immediately.

The Superintendent or designee shall use all appropriate means to reinforce the district's nondiscrimination policy, including providing training and information to employees about how to recognize harassment, discrimination, or other prohibited conduct, how to respond appropriately, and components of the district's policies and regulations regarding discrimination. The Superintendent or designee shall regularly review the district's employment practices and, as necessary, shall take action to ensure district compliance with the nondiscrimination laws.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

The district shall maintain and preserve all applications, personnel, membership, or employment referral

records and files for at least four years after the records are initially created or received or, for an applicant or a terminated employee, for four years after the date the employment action was taken. However, when the district is notified that a complaint has been filed with the California Civil Rights Department, records related to the employee involved shall be maintained and preserved until the later of the first date after the time for filing a civil action has expired or the first date after the complaint has been fully and finally disposed of and all administrative proceedings, civil actions, appeals, or related proceedings have been terminated. (Government Code 12946)

For purposes of this policy and accompanying administrative regulation, employees include interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

No district employee shall be discriminated against or harassed by any coworker, supervisor, manager, or other person with whom the employee comes in contact in the course of employment, on the basis of one, or a combination of two or more, protected characteristics which include, but may not be limited to, the employee's actual or perceived race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; religious creed; age; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; reproductive health decision-making; breastfeeding or related medical conditions; and parental, marital, and family status; or association with a person or group with one or more of these actual or perceived characteristics. The district shall not inquire into any employee's immigration status nor discriminate against an employee on the basis of immigration status, unless there is clear and convincing evidence that such inquiry is necessary to comply with federal immigration law. (2 CCR 11028)

In addition, unless otherwise provided for in law, the district may not discriminate against an employee in any term or condition of employment, or otherwise penalize a person, including termination, based on the person's use of cannabis off the job and away from the workplace, or on a drug screening which finds that the person has nonpsychoactive cannabis metabolites in the person's hair, blood, urine, or other bodily fluid. However, the district retains the right to maintain drug-free schools or prohibit employees from possessing, being impaired by, or using cannabis while on the job. (Government Code 12954)

1. Hiring, compensation, terms, conditions, and other privileges of employment

2. Taking adverse employment actions such as termination or denial of employment, promotion, job assignment, or training

3.    c. Requiring medical or psychological examination of a job applicant or making an inquiry into whether a job applicant has a mental or physical disability or a medical condition or as to the severity of any such disability or condition, without the showing of a job-related need or business necessity

   d. Failure to make reasonable accommodation for the known physical or mental disability of an employee or to engage in a timely, good faith, interactive process with an employee who has requested such accommodations in order to determine the effective reasonable accommodations, if any, to be provided to the employee

   e. Requiring an employee to disclose information relating to the employee's reproductive health decision-making

   f. Including a statement in a job advertisement, posting, application, or other material that an applicant is required to have a driver's license, unless the district reasonably expects driving to be one of the job functions for the position and reasonably believes that satisfying the job function using an alternative form of transportation would not be comparable in travel time or cost to the district

The Board also prohibits retaliation against any district employee who opposes any discriminatory employment practice by the district or its employees, agents, or representatives or who complains, reports an incident, testifies, assists, or in any way participates in the district's complaint process pursuant to this policy. (Government Code 12964.5)

Any supervisory or management employee who observes or has knowledge of an incident of prohibited

discrimination or harassment, including harassment of an employee by a nonemployee, shall report the incident to the Superintendent or designated district coordinator within one workday. All other employees shall report such incidents to their supervisor or designated district coordinator within one workday.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

Complaints concerning employment discrimination, harassment, or retaliation shall immediately be investigated in accordance with procedures specified in the accompanying administrative regulation. Policy 4119.11: Sexual Harassment **Status:** ADOPTED

Original Adopted Date: 11/18/2021 | **Last Revised Date:** 09/21/2023 | **Last Reviewed Date:** 09/21/2023

Note: Education Code 231.5, 2 CCR 11023, and 34 CFR 106.8 mandate the district to have a written policy on sexual harassment. As part of this mandate, the district also should adopt a sexual harassment policy related to students; see BP/AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Sexual harassment is prohibited pursuant to Title VII of the Civil Rights Act of 1964 (42 USC 2000e-2000e-17) and/or Title IX of the Education Amendments of 1972 (20 USC 1681-1688; 34 CFR 106.1-106.82), as well as the California Fair Employment and Housing Act (Government Code 12900-12996). Whether a complaint of sexual harassment is addressed through federal Title IX complaint procedures adopted pursuant to 34 CFR 106.44-106.45, as added by 85 Fed. Reg. 30026, or procedures adopted pursuant to 2 CCR 11023 is dependent on whether the alleged conduct meets the more stringent federal definition of sexual harassment or the state definition. In order to meet the applicable timelines, in some instances it may be necessary to review a complaint under both procedures concurrently. See the accompanying administrative regulation, AR 4030 - Nondiscrimination in Employment, and AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures.

Pursuant to 2 CCR 11034, the district may be liable for sexual harassment committed by a supervisor, coworker, or a third party. Pursuant to Government Code 12940, employers may also be held liable for sexual harassment committed against their workers by clients, customers, or other third parties if they knew or should have known of the harassment and failed to take immediate and appropriate corrective action to stop the harassment.

The following policy shall apply to all district employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Note: Government Code 12940 clarifies that sexual harassment includes harassment based on sex, gender, pregnancy, childbirth, or related medical conditions.

Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions.

Note: Federal and state courts have provided guidance that may help employers avoid liability or mitigate damages in sexual harassment cases. In Department of Health Services v. Superior Court (McGinnis), the California Supreme Court, outlined measures that may constitute mitigating factors in the assessment of damages, including establishing anti-harassment policies, communicating those policies to employees, consistently enforcing the policies, preserving the confidentiality of employees who report harassment, and preventing retaliation against reporting employees. The U.S. Supreme Court in Burlington Industries v.

Ellerth held that, for certain claims under federal law, an employer may defend against sexual harassment claims by proving that (1) reasonable care was exercised to prevent and promptly correct any sexually harassing behavior, and (2) the employee (victim) failed to take advantage of the preventive and corrective opportunities provided by the employer.

Pursuant to Government Code 12950.1, as amended by SB 778 (Ch. 215, Statutes of 2019), employers with five or more employees are required to provide sexual harassment training to supervisory and nonsupervisory employees. See the accompanying administrative regulation for timelines and training requirements.

Items #1-4 below reflect the courts' guidance and Government Code 12950.1, and should be modified to reflect district practice.

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

Note: The following optional paragraph reflects a recommendation of the U.S. Equal Employment Opportunity Commission's informal guidance Promising Practices for Preventing Harassment and may be revised to reflect district practice.

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

District employees who feel that they have been sexually harassed in the performance of their district responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a district administrator, or the district's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed

appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any district employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

The Governing Board is committed to providing a safe work environment that is free of discrimination, harassment, and intimidation, including sexual harassment. The Board prohibits sexual harassment, as defined in the accompanying administrative regulation, in district programs and activities by and against district employees. For purposes of this policy and accompanying administrative regulation, employees include interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

Additionally, the Board prohibits retaliatory behavior or action against any person who complains or testifies about conduct that reasonably may constitute sexual harassment, reports such conduct, or otherwise participates or refuses to participate in the complaint process established for the purpose of this policy. (Education Code 220.1; 34 CFR 106.71)

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to: (Education Code 231.5; Government Code 12950.1; 2 CCR 11023; 34 CFR 106.8, 106.45)

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply

4. Ensuring prompt, thorough, fair, and equitable investigation of complaints through the appropriate state and/or federal procedures
5. Taking timely and appropriate corrective/remedial action(s)

The Superintendent or designee may periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to harassment policy(ies), complaint procedures, or training, as appropriate and in accordance with law.

Reports and Complaints

Any district employee who has experienced sexual harassment in the district's education program or activity may file a complaint with the district's Title IX Coordinator. (34 CFR 106.8)

Any employee with knowledge of conduct that reasonably may constitute sexual harassment by or against another district employee, a student, or a third party in a district education program or activity shall notify the Title IX Coordinator within one workday.

Additionally, the Title IX Coordinator shall ensure that any implementation of Administrative Regulation 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures, concurrently meets the requirements of Administrative Regulation 4030 - Nondiscrimination in Employment.

Before or after the filing of a formal complaint or where no formal complaint has been filed, the Title IX Coordinator shall offer and coordinate supportive measures to be provided to the complainant and the respondent, as deemed appropriate under the circumstances. (34 CFR 106.30, 106.44)

Original Adopted Date: 11/18/2021 | **Last Revised Date:** 09/21/2023 | **Last Reviewed Date:** 09/21/2023

Note: Education Code 231.5, 2 CCR 11023, and 34 CFR 106.8 mandate the district to have a written policy on sexual harassment. As part of this mandate, the district also should adopt a sexual harassment policy related to students; see BP/AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Sexual harassment is prohibited pursuant to Title VII of the Civil Rights Act of 1964 (42 USC 2000e-2000e-17) and/or Title IX of the Education Amendments of 1972 (20 USC 1681-1688; 34 CFR 106.1-106.82), as well as the California Fair Employment and Housing Act (Government Code 12900-12996). Whether a complaint of sexual harassment is addressed through federal Title IX complaint procedures adopted pursuant to 34 CFR 106.44-106.45, as added by 85 Fed. Reg. 30026, or procedures adopted pursuant to 2 CCR 11023 is dependent on whether the alleged conduct meets the more stringent federal definition of sexual harassment or the state definition. In order to meet the applicable timelines, in some instances it may be necessary to review a complaint under both procedures concurrently. See the accompanying administrative regulation, AR 4030 - Nondiscrimination in Employment, and AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures.

Pursuant to 2 CCR 11034, the district may be liable for sexual harassment committed by a supervisor, coworker, or a third party. Pursuant to Government Code 12940, employers may also be held liable for sexual harassment committed against their workers by clients, customers, or other third parties if they knew or should have known of the harassment and failed to take immediate and appropriate corrective action to stop the harassment.

The following policy shall apply to all district employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

Note: Government Code 12940 clarifies that sexual harassment includes harassment based on sex, gender, pregnancy, childbirth, or related medical conditions.

Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions.

Note: Federal and state courts have provided guidance that may help employers avoid liability or mitigate damages in sexual harassment cases. In Department of Health Services v. Superior Court (McGinnis), the California Supreme Court, outlined measures that may constitute mitigating factors in the assessment of damages, including establishing anti-harassment policies, communicating those policies to employees, consistently enforcing the policies, preserving the confidentiality of employees who report harassment, and preventing retaliation against reporting employees. The U.S. Supreme Court in Burlington Industries v.

Ellerth held that, for certain claims under federal law, an employer may defend against sexual harassment claims by proving that (1) reasonable care was exercised to prevent and promptly correct any sexually harassing behavior, and (2) the employee (victim) failed to take advantage of the preventive and corrective opportunities provided by the employer.

Pursuant to Government Code 12950.1, as amended by SB 778 (Ch. 215, Statutes of 2019), employers with five or more employees are required to provide sexual harassment training to supervisory and nonsupervisory employees. See the accompanying administrative regulation for timelines and training requirements.

Items #1-4 below reflect the courts' guidance and Government Code 12950.1, and should be modified to reflect district practice.

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

Note: The following optional paragraph reflects a recommendation of the U.S. Equal Employment Opportunity Commission's informal guidance Promising Practices for Preventing Harassment and may be revised to reflect district practice.

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

District employees who feel that they have been sexually harassed in the performance of their district responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a district administrator, or the district's Title IX Coordinator. Employees may bypass their supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed

appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any district employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

Policy 5145.3: Nondiscrimination/Harassment **Status:** ADOPTED

Original Adopted Date: 08/16/2018 | **Last Revised Date:** 11/14/2024 | **Last Reviewed Date:** 11/14/2024

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the Governing Board and the Superintendent in enacting policies and procedures that govern the district.

The Board desires to provide a welcoming, safe, and supportive school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

Because unlawful discrimination may occur when disciplining students, including suspension and expulsion, the Superintendent or designee shall ensure that staff enforce discipline rules fairly, consistently and in a nondiscriminatory manner, as specified in Board Policy and Administrative Regulation 5144 - Discipline, Board Policy and Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, and Administrative Regulation 5144.2 Suspension and Expulsion/Due Process (Students With Disabilities).

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's

website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. (Education Code 234.1, 234.6)

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

All allegations of unlawful discrimination in district programs and activities shall be brought, investigated, and resolved in accordance with Board Policy 1312.3 - Uniform Complaint Procedures.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Policy 5145.3: Nondiscrimination/Harassment **Status:** ADOPTED

Original Adopted Date: 10/01/2014 | **Last Revised Date:** 06/01/2025 | **Last Reviewed Date:** 06/01/2025

The Governing Board desires to provide a welcoming, safe, and supportive school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities.

This policy shall apply to all acts constituting unlawful discrimination or harassment related to district activity or attendance, to acts which occur off campus or outside of district-related or district-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the Board and the Superintendent in enacting policies and procedures that govern the district.

The Board prohibits, at any district school or activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, against an individual or group based on one, or a combination of two or more, protected characteristics, which include, but may not be limited to, race or ethnicity; ancestry; color; ethnic group identification; nationality; national origin; immigration status; sex; sexual orientation; sex stereotypes; gender; gender identity; gender expression; religion; disability; medical condition; genetic information; pregnancy, false pregnancy, childbirth, termination of pregnancy, or related conditions or recovery; and parental, marital, and family status; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. (Education Code 200, 210.1, 210.2, 212, 212.1, 220, 221.51, 230, 260; Government Code 11135, 12926; 20 USC 1681-1688, 42 USC 2000d-2000d-7)

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also occurs when prohibited conduct is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in district programs or activities or the provision or receipt of educational benefits or services.

Because unlawful discrimination could occur when disciplining students, including suspension and expulsion, the Superintendent or designee shall ensure that staff enforce discipline rules fairly, consistently and in a non-discriminatory manner, as specified in Board Policy and Administrative Regulation 5144 - Discipline, Board Policy and Administrative Regulation 5144.1 - Suspension and Expulsion/Due Process, and Administrative Regulation 5144.2 - Suspension and Expulsion/Due Process (Students With Disabilities).

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates, participates, or refuses to participate in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. In addition, the Superintendent or designee shall post the district's policies prohibiting discrimination, harassment, intimidation, and bullying and other required information on the district's website in a manner that is easily accessible to parents/guardians and students, in accordance with law and the accompanying administrative regulation. (Education Code 234.1, 234.6; 34 CFR 106.8)

The Superintendent or designee shall provide training and/or information on the scope and use of the policy and complaint procedures and take other measures designed to increase understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. The Superintendent or designee shall report the findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination related to a district activity, attendance, or district-related or district-sponsored activity, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

When a student has been suspended, or other means of correction have been implemented against the student for an incident of racist bullying, harassment, or intimidation, the principal or designee may engage both the victim and perpetrator in a restorative justice practice suitable to the needs of the students. The principal or designee may also require the perpetrator to engage in a culturally sensitive program that promotes racial justice and equity and combats racism and ignorance and regularly check on the victim to ensure that the victim is not in danger of suffering from any long-lasting mental health issues. (Education Code 48900.5)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

Complaints alleging unlawful discrimination in district programs and activities shall be investigated and resolved in accordance with Board Policy 1312.3 - Uniform Complaint Procedures, when required by law. However, complaints alleging sexual harassment under Title IX shall be investigated and resolved in accordance with the procedures specified in Administrative Regulation 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Policy 5146: Married/Pregnant/Parenting Students **Status:** ADOPTED

Original Adopted Date: 06/23/2016 | **Last Revised Date:** 02/27/2025 | **Last Reviewed Date:** 02/27/2025

The Governing Board recognizes that responsibilities pertaining to marriage, pregnancy, or parenting, including related obligations, medical conditions, or recovery, may disrupt a student's education and increase the chance of a student dropping out of school. The Board desires to minimize interruption to such students' educational progress by supporting married, pregnant, and parenting students in their continued education, assisting them to attain strong academic and parenting skills, and promoting the healthy development of their child(ren).

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's current, potential, or past pregnancy, childbirth, false pregnancy, termination of pregnancy, lactation, or related medical conditions or recovery. In addition, the district shall not adopt any rule concerning a student's actual, potential, or past parental, family, or marital status that discriminates against and/or treats a student differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

The Superintendent or designee shall annually notify parents/guardians at the beginning of the school year of the rights and options available to pregnant and parenting students under the law. In addition, pregnant and parenting students shall be notified of the rights and options available under the law through annual school year welcome packets and through independent study packets. (Education Code 222.5, 48980)
Any employee who is informed by a student, or a person who has a legal right to act on behalf of a student, of a student's pregnancy or related conditions shall provide that person with the Title IX Coordinator's contact information and inform the person that the Title IX Coordinator can coordinate specific acts to prevent sex discrimination, including sex-based harassment, and ensure the student's equal access to the district's education program or activity. (34 CFR 106.8)

When notified of a student's pregnancy or related conditions, the Title IX Coordinator shall provide the student, and if applicable the person who has a legal right to act on behalf of the student and who notified the Title IX Coordinator of the student's pregnancy or related conditions, with the district's notice of nondiscrimination, as specified in Administrative Regulation 5145.3 - Nondiscrimination/Harassment and Exhibit (1) 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures. The Title IX Coordinator shall also coordinate actions specified in 34 CFR 106.40 to prevent discrimination against, and ensure equal access to, the student, including the following: (34 CFR 106.44)

1. Notifying the student that the district is required to not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy or related conditions

However, a student's voluntary participation in a separate portion of the district's education program or activity does not constitute prohibited discrimination if the district ensures that the separate portion is comparable to that offered to students who are not pregnant and do not have related conditions.

2. To the extent consistent with 34 CFR 106.40(b)(3), ensuring that pregnancy or related conditions are treated in the same manner and under the same policies as any other temporary medical condition with respect to any medical or hospital benefit, service, plan, or policy the district administers, operates, offers, or participates in with respect to students admitted to the district's education program or activity

3. Informing the student that the district may not require the student who is pregnant or has related conditions to provide certification from a healthcare provider or any other person verifying that the student is physically able to participate in the district's class, program, or extracurricular activity unless the certified level of physical ability of health is necessary for participation in the class, program, or extracurricular activity; the district requires such certification of all participating students; and, the information obtained is not used as a basis for Title IX discrimination For school-related purposes, a student under the age of 18 years who enters into a valid marriage shall have all the rights and privileges of students who are 18 years of age or older, even if the marriage has been dissolved. (Family Code 7002)

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the student and/or the student's child.

Any alternative education program, activity, or course that is offered separately to pregnant or parenting students, including any class or extracurricular activity, shall be equal to that offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

The Superintendent or designee shall not require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, lactation, or related medical conditions or recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the district's education program or activity, including an extracurricular activity, unless the certified level of physical ability is necessary for participation and such certification is required of all students. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

The Governing Board recognizes that responsibilities pertaining to marriage, pregnancy, or parenting, including related obligations, conditions, or recovery, may disrupt a student's education and increase the chance of a student dropping out of school. The Board desires to minimize interruption to such students' educational progress by supporting married, pregnant, and parenting students in their continued education, assisting them to attain strong academic and parenting skills, and promoting the healthy development of their child(ren).

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's actual or potential pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats a student differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

In accordance with Board Policy/Exhibit(1) 5145.6 - Parent/Guardian Notifications, the Superintendent or designee shall annually notify parents/guardians at the beginning of the school year of the rights and options available to pregnant and parenting students under the law. In addition, pregnant and parenting students shall be notified of the rights and options available under the law through annual school year welcome packets and through independent study packets. (Education Code 222.5, 48980)

For district-related purposes, a student under 18 years of age who enters into a valid marriage is an emancipated minor who shall have all the rights and privileges of students who are 18 years of age or older, even if the marriage has been dissolved. (Family Code 7002)

Such rights include, but are not limited to, those related to the verification of student absences as specified in Administrative Regulation 5113 - Absences and Excuses, application for a work permit as specified in Administrative Regulation 5113.2 - Work Permits, and access to student records as specified in Administrative Regulation 5125 - Student Records.

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. The classroom setting shall be the preferred instructional strategy unless an alternative is necessary to meet the needs of the student and/or the student's child.

Any alternative education program, activity, or course that is offered separately to students who are pregnant or parenting, including any class or extracurricular activity, shall be equal to that offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with any other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related conditions or recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the education program or activity. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

To the extent feasible, the district shall provide educational and related support services, either directly or in collaboration with community agencies and organizations, to meet the needs of pregnant and parenting students and their children. Such services may include, but are not limited to:

(Education Code 46015; 34 CFR 106.40)

The student, if 18 years of age or older, or the student's educational rights holder shall notify the district of the student's intent to take parental leave, although failure to do so does not abridge any of the rights provided to the student under this policy. (Education Code 46015)

No student shall be required to take all or part of the parental leave. (Education Code 46015)

When a student takes parental leave, the attendance supervisor shall ensure that absences from the regular school program are excused until the student is able to return to the regular school program or an alternative education program. A student who is pregnant or parenting, or has related conditions, shall not be required to complete academic work or other school requirements during the period of the parental leave. (Education Code 46015)

Upon return to school, a student who is pregnant or parenting shall have opportunities to make up work missed during the leave, including, but not limited to, makeup work plans and reenrollment in courses. (Education Code 46015)

When necessary to complete high school graduation requirements, the student may remain enrolled in school for a fifth year of instruction, unless the Superintendent or designee makes a finding that the student is reasonably able to complete district graduation requirements in time to graduate by the end of the fourth year of high school. (Education Code 46015)

Accommodations

When necessary, the district shall provide accommodations to enable a student who is pregnant or parenting to access the educational program.

Additionally, a student who is pregnant, experiences a false pregnancy, or terminates a pregnancy, or who must recover from any of these, shall have access to any services available to other students with temporary medical conditions. (34 CFR 106.40)

Original Adopted Date: 10/01/2017 | **Last Revised Date:** 09/01/2025 | **Last Reviewed Date:** 09/01/2025

The Governing Board recognizes that poor school attendance and behavior problems negatively impact student learning and achievement and put students at greater risk of dropping out of school. The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

The Superintendent or designee shall collaborate with the SARB and appropriate community agencies, including, but not limited to, law enforcement agencies, child welfare agencies, and health services, to provide school-based and/or community-based interventions tailored to the specific needs of the student.

(Education Code 48321)

The district's SARB shall provide support to improve student attendance and behavior through proactive efforts focused on building positive school environments and improved school connectedness, early identification and immediate intervention to re-engage students with poor attendance or behavior, and intensive intervention with students and families to address severe or persistent attendance or behavior issues.

The district's SARB shall operate in accordance with Board Bylaw 9320 - Meetings and Notices, Board Bylaw 9321 - Closed Session, and Board Bylaw 9322 - Agenda/Meeting Materials; Education Code 48320-48325; applicable rules and regulations of the County Office of Education's SARB; and the Ralph M. The Governing Board recognizes that part-time employment can provide students with income, job experience, and valuable life skills and should be permitted to the extent that such employment does not interfere with a student's education. Before accepting any offer of employment, district students who are minors shall obtain work permits from the Superintendent or designee, regardless of whether the employment will occur when school is in session and/or not in session, unless otherwise exempted by law.

The Superintendent or designee shall ask parents/guardians to provide emergency contact information in order to facilitate communication in the event of an accident or illness.

Staff shall not accept or follow any such orders unless they have been informed by the Superintendent or designee that the request to accept such an order has been submitted to the Superintendent or designee, signed by the parent/guardian, and supported by a written statement from the student's physician and an order from an appropriate court.
