2026 CREDIT BEARING CLASSES ONALASKA HIGH SCHOOL

Expectations

- Students must attend classes each day, Monday through Friday, June 3 - June 26, 2026.
- There is a hybrid learning format with 18 in-person learning days and 10 virtual learning days.
- **If a student is absent for the first day of classes and we have NOT heard about the absence from the student or a parent, the student's spot will be given away to a student on the waiting list.**
- **Students are allowed only TWO absences. The THIRD absence will result in the student being permanently removed from the summer school class - NO EXCEPTIONS. No credit will be earned if a student misses more than two classes during the summer term.**
- Students must be on time for each class period. Students will be considered tardy when they are late for class by 15 or fewer minutes; anything longer is considered an absence (2 tardies = 1 absence).
- Students are expected to be prepared for class and follow classroom and school rules.
- The following disciplinary process will be used:
 1. 1st Step – Student conference with teacher and parents are notified.
 2. 2nd Step – Student is suspended from class for 1 day. This is considered an absence and parents are notified.
 3. 3rd Step – Student is permanently removed from the summer school class and parents are notified.

Food

A morning snack and noon lunch will be provided, free of charge, to students each day during summer school at OHS.

Fees

There are no enrollment fees for any OHS summer school courses, except for the STRENGTH AND SPEED TRAINING (supported by ETS Performance). The fee for this course is \$50.

ATTENTION ALL STUDENTS: If you indicated that you would like to take summer school on your course selection sheet, this **did not** sign you up for summer school.

You must still register through the summer school online process. All classes are based on a first-come, first-served basis.

Summer School Courses

HS COMPUTER APPLICATIONS I

0.5 credit Grade 9 June 3 – June 26 7:45 AM – 10:00 AM

This course reviews and reinforces the touch method of keyboarding. Students will improve their speed and accuracy at the computer keyboard. They will also learn how to create a variety of useful documents, such as letters, memos, and reports.

HS UNITED STATES HISTORY (1st semester) – course availability dependent upon staffing

0.5 credit Grade 9 June 3 – June 26 Section 2: 10:10 AM – 12:25 PM

Students will cover the entire 1st semester of the US History curriculum during summer school. This means that the class will move at a fast pace and outside reading and homework will be required. The course will follow the history of the United States from progressivism through World War II. The students will gain an understanding as to how and why the United States developed the way it did. The course will be divided into several units to help the students learn in an organized and complete manner.

HS WELLNESS

0.5 credit Grade 9 June 3 – June 26 7:45 AM – 10:00 AM

This course focuses on exploring personal wellness components and the impact it has on the overall health and well-being of students. The main goal of the course is to help students acquire knowledge of: basic anatomy, fitness, nutrition, mental health, and understanding how it connects with values & goal-setting. The students will get a chance to spend time in various physical education facilities to allow for a hands-on experience of class content. **Maximum of 24 students.**

HS PHYSICAL EDUCATION 9

0.5 credit Grade 9 June 3 – June 26 Section 2: 10:10 AM – 12:25 PM

This course will provide students with the opportunity to experience a variety of physical activities to prepare them to lead a healthy active lifestyle. Students will learn health-related fitness concepts to understand the benefits of being physically active. Possible units may include, but are not limited to, softball, golf, flag football, archery, tennis, volleyball, badminton, dance, basketball, and speedball. **Maximum of 24 students per session.**

ENRICHMENT COURSES – for students entering grades 9-12

STRENGTH AND SPEED TRAINING (Supported by ETS Performance)

Grades 9 – 12

June 1 - July 31

***Mondays, Tuesdays, Thursdays**

Meet on the track

Section 1 7:00 AM – 8:30 AM

Section 2 7:45 AM – 9:15 AM

Section 3 8:30 AM – 10:00 AM

The summer strength training program is designed to help prevent injuries and improve athletic performance. If you are in a sport, please communicate with your coach to identify what time your team will be lifting, as sections are assigned at random. If you have any questions, please contact Tom Yashinsky at yasth@onalaskaschools.com.

[ETS Performance](#) has been contracted to support our strength and conditioning program. With that partnership being put into place, they will now run our summer strength program as well. Throughout the school year our athletes have had great success and gains in their athletic performance and we look forward to growing that with our summer offering. There will be a \$50 fee for the summer -- students who qualify for free or reduced lunch may have fees reduced or waived based on qualification.

Please note, enrollment for incoming 6th - 8th graders is handled directly through ETS in a separate registration process.

Lead Instructor: Zak Wallenfang - Track Coach, Onalaska High School

Coach: Caiden Boetcher - ETS Performance Coach

SUMMER MUSIC CAMPS

All HS Band Students will automatically be registered for summer band camp. Participation in the summer camp dates is a necessary aspect so that the band can be prepared to perform in the fall. Because of the nature of the fall marching band schedule, August is the main learning time. Generally, the first performance is right away when school starts and sometimes even before summer is over. If you have questions, conflicts, and/or are unable to attend portions of camp, please contact Mr. Coe. We can't wait to start another season of marching band with everyone!

Summer Band Events:

(Locations may change due to construction at OHS. Changes will be communicated at that time.)

(If conflicts arise, communicate with the instructor)

0.5 credit

Grades 9-12

June 1 - June 24 (Monday - Thursday)

8:00 AM - 3:00 PM

*Teachers will contact parents of students who are eligible for this course.

The course focuses on students partaking in both individual and team activities in the community and classroom to promote and address the following objectives: increase personal confidence, increase ability to work and receive support in a group; develop and challenge physical coordination, develop familiarity with the outdoors in our community. The morning will consist of academics, which include but not limited to Math and English while the afternoons consist of the community experience.

ONAbility Summer

Grades 12+

June 1 - August 14 (2 days/week, 3 hours/day - specific dates and times TBD)

*Teachers will contact parents of students who are eligible for this course.

The Beyond 18 Summer School Program is a community-based transition program designed for students ages 18 - 21 with disabilities who are preparing for adult life after high school. The program focuses on building real-world employability, independence, and social skills through hands-on learning experiences. Students will participate in small business work experiences and community partnerships that provide authentic opportunities to practice job skills such as punctuality, task completion, following directions, communication with supervisors, teamwork, and workplace behavior.
