

Affinity Stole Request Form

Kennedy Catholic and the Equity and Belonging Team recognize the importance of accessories such as cords, medallions, and stoles in symbolizing academic and extracurricular experiences throughout a students' high school experience. Affinity Stoles are no different, as they are a visual representation of not just a cultural identity, but of the active participation in our school's affinity groups.

Any student wanting to receive an affinity stole must submit a Affinity Stole Request Form to obtain approval and confirm eligibility to be added to the *Cultivate: Graduate* program and be granted a stole to wear at graduation.

The deadline for completion of this request is May 1st, 2026. Please obtain the required signatures and return the form to Ms. Gonzalez, Mr. Franco, or Mr. Brooks.
