Eligibility & Enrollment Priorities

Eligibility for enrollment in the preschool program will be based on documentation and verification. The parent or guardian is responsible for providing the required documentation. Eligibility is based on the documentation and verification of at least one of the following:

- Child Protective Services (CPS) or at risk of abuse, neglect, and/or exploitation;
- Homelessness;
- Income Eligibility and Family Size; or
- Current CalWORKs cash aid recipient.
- Children with Exceptional Need

Enrollment Priorities

All families will be ranked based on the following Admission Priorities list, as mandated by the State:

Priority	Eligibility Criteria
First	The child is the recipient of Child Protective Services (CPS) or is at risk of being neglected, abused, or exploited.
Second	Once the set-aside is filled, children with exceptional needs are from income-eligible families. Prioritize based on income ranking order.
Third	Eligible 4-year-old not enrolled in Transitional Kindergarten. Prioritize children enrolled in CSPP as a 3-year-old, then prioritize dual language learners within each ranking based on the earliest waitlist date.
Fourth	Eligible 3-year-old. Prioritize dual language learners within each ranking based on the earliest waitlist date.
Fifth	Family income is not more than 15% above the income threshold. Prioritize exceptional needs children, then 4-year-olds, then 3-year-olds. <i>(limited to 10% of funded enrollment)</i>
