UNEARTH A STORY™

BOOKMARK DESIGN CHALLENGE

The Avon Library Youth Services Department invites YOU to design a bookmark for our 2026 Summer Reading Challenge! We will select 1 design that best promotes the theme "Unearth A Story" to be featured as our bookmark for summer. Make sure you fill out the form below! (You can sign your bookmark with your name if you like.)

One entry per person. Use original artwork in pencil, crayon, colored pencils, pens, or markers. Please keep in mind for all materials that whatever is used, the color should be applied hard enough to allow for reproducing. All entries become the property of the Avon Public Library. Entries are due to childrens@avonlibrary.net or the Children's Reference desk by 8:00 PM on Monday, May 18th, 2026.
