

JOIN THE CONVERSATION

AI IN EDUCATION

Join us for a panel discussion featuring students, teachers, and experts exploring how AI is influencing learning today and what it means for students moving forward. This evening will focus on real experiences, responsible use, and the skills students need to thrive. No technical background required, just curiosity and a desire to learn together.

APRIL 30, 2026

6:30 PM – 8:00 PM

Rustin High School
Auditorium
