

Driver Education Program

Our Driver Education program offers fall, spring, and summer sessions.

Spots are assigned on a first come, first paid basis.

We have 96 spots available for our fall and spring sessions, and 48 spots for our summer session.

Fall session is from September through January with once weekly lecture and driving lessons.

Spring session is from February through June with once weekly lecture and driving lessons.

Summer session is from the end of June through July with lectures Monday through Thursday and driving lessons on M/W/F or T/Th/Sat.

Cost is \$655, payable via money order, check or MySchoolBucks.

Attendance policy states that students are allowed two (2) absences from lecture.

Additional absences disqualify the student from completing the program and is non-refundable.

Registration is online and all communication about the program is done through ParentSquare / StudentSquare.
