

Revive Virtual Care Solutions

The Future of Whole-Person Care—Delivered Today.

Revive delivers fast, high-quality, virtual care for everyday health needs—physical, emotional, and everything in between. All services are easily available with no copays, no deductibles, and no complicated claims. Care is easy to access anytime, anywhere—from a phone, tablet, or computer.

VIRTUAL PRIMARY CARE

- Schedule same- or next-day appointments.
- Build a relationship with a dedicated provider.
- Access wellness checkups, chronic care management, and prescription support.
- Get specialist referrals and preventive guidance.

MENTAL HEALTH AND EAP SERVICES

- 24/7 access to master's-level clinicians.
- Short- and long-term counseling, in-the-moment support, and coaching.
- Personalized provider matches to meet member preferences, needs, and comfort.
- Culturally competent and compassionate care.

WEIGHT HEALTH PROGRAM

- 1:1 lifestyle coaching to support sustainable habit changes for results.
- Step therapy approach for safe, cost-effective care with clinical review for medication management (including GLP-1s) when appropriate.
- Digital wellness tools, including fitness classes, nutritious recipes, and mindfulness.

VIRTUAL URGENT CARE

- 24/7/365 access to U.S.-trained and board-certified providers with 10+ years of virtual care experience.
- Treatment for common conditions like colds, flu, UTIs, pink eye, rashes, and more.
- Free prescriptions for 70+ commonly used urgent care available at 70,000+ retail pharmacies nationwide.
- Retail pharmacy discount card for prescriptions for medications not covered in the formulary.

PHARMACY BENEFITS

- Free maintenance medications: 1,000+ of the most common meds in generic form.
- Free delivery on prescriptions shipped once per month.
- Retail prescription savings card for non-formulary drugs.
- Pharmacist consultations to get quick, reliable answers to medicine-related questions.

SPECIALTY SERVICES

Access medical professionals in specialties like Vision, Dermatology, Psychiatry, Physical Therapy, and more.

Note: core services (excluding specialty offerings) are available as stand-alone solutions or can be bundled into a customized program tailored to your organization's unique needs.

Why Choose Revive?

Because care should be effortless, empathetic, effective, and affordable.
Because technology should amplify—not replace—the human experience.
Because what we do today is defining the future of health for millions.

No copays.
No hassle.
Just better care
—on your terms.

Modern. Accessible. Human. That's Revive.
