School Nutrition/ Cafeteria Updates

Applications for Free and Reduced Meals must be renewed annually. School Nutrition Services provides a 30-day grace period at the beginning of each school year to those who were approved the previous year.

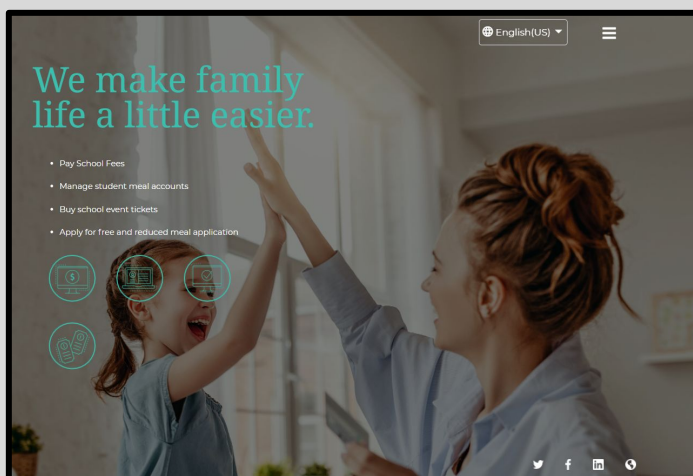

The grace period ended October 8, 2025. If applications are not renewed, meals will no longer be free starting October 9, 2025.

(<https://www.payschoolscentral.com/>)

[PaySchools Central](https://www.payschoolscentral.com/) is the new source to pay for student meals as well as to complete the Free/Reduced meal application. PaySchool Central is also available as an app on iPhones and Android cellphones.

All families need to download this app and register for this service in order to have access to their student's lunch account.

Please note: UCPS no longer allows high school students to charge in excess of \$19.20.

Please note: Student cafeteria fees from 2024-2025 rolled into Infinite Campus. Student cafeteria fees from 2023-2024 are not included in Infinite Campus; however, students are still obligated to pay these fees. Students who have remaining balances will not be able to buy a parking pass or attend events that require payment (example: Homecoming Dance, Prom) until these fees are paid.

Major Clarity Career Plans

Career Plans

Beginning in the 2024-2025 school year, NC Senate Bill 193 requires that all students in grades 6 - 12 have a career plan. A student's initial career plan will be created by the end of their 6th grade year and then revised annually through 12th grade. UCPS will utilize Major Clarity as the platform for students to create their career plan. This can be accessed by students through Clever. Parents are encouraged to review their student's career plan with them each year.

Required components of a Career Development Plan (CDP):

- Update to date Career Assessment
- Update to date Learning Assessment
- Pathway Selection

- Academic Course Planning

- Post Secondary Plans,

Student Parking

Parking Passes are restricted to students who, in InfiniteCampus, are identified as being in grades 10 and 12 at the beginning of the school year. 10th graders may be able to purchase a parking space later in the year **if space is available**. Students must have a valid driver's license, not a learner's permit.

Parking on the Parkwood High School Campus is considered a privilege for students. Each student who drives to school must purchase his/her own parking tag and may not share a tag with another student or sibling. PWHS and UCPS will assume no responsibility for damage to private vehicles driven and parked on campus. Student drivers must have appropriate and **current automobile registration and have a valid drivers license.**

Student drivers: Students whose cars are on campus after the school day need to be mindful that they may need to move their cars - particularly if they park around the baseball field. This is to avoid damage caused by fly balls.

Eligibility for PWHS Student Parking

-Valid Driver's License. Driver's Permits are not allowed.

-Completed and Digitally Signed 2025-2026 Parking Pass Application, digitally signed by the student and one parent or guardian.

-Applicants **MUST** pay any outstanding student financial obligations. See Infinite Campus for any previous year's cafeteria fees and all technology and other school related fees. You must also verify with the cafeteria that you do not have any current balance. **Your parking pass will not be issued if you have any outstanding balance.**

-Please fill out the Student Parking Application Form: **Click [HERE](#).**

Parking passes may be purchased through the School Store on Infinite Campus.

After completing your application and ensuring all fees are paid, you may see Mr. Moore for your parking pass.
