

VIKING VIEWS

3-29-26

From the Office of the Principal

Dr. Katherine Nobles

This past week, we were excited to welcome 225 seventh-grade students to Archbishop Wood for our annual 7th Grade Visitation Day. It was a wonderful opportunity to share the spirit of our school community, showcase our academic programs, and allow prospective Vikings to experience a day in the life at Wood. The energy, enthusiasm, and curiosity of these young students were truly inspiring, and we look forward to welcoming many of them back in the future!

As we look ahead, we enter into Holy Week, a sacred time in our Church as we journey with Christ through His Passion, Death, and ultimately celebrate His Resurrection on Easter Sunday. This is a meaningful opportunity for reflection, prayer, and renewal in our faith.

We wish all of our families a blessed and restful break. May you enjoy this time with loved ones, and we encourage everyone to take time to attend church and fully embrace the joy and hope of Easter.

Course selection is live. It runs through April 8. I am working through some glitches; some courses are listed twice. If I haven't corrected it on one's registration, please let me know.

Here are a few things to remember:
Here are few notes -

Students who applied for AP courses will be notified later in the week. For now, they should register for all normal classes. I will make adjustments as necessary.

Please be patient with the process. If there is an error on your registration, please let me know. I will take care of it.

Holy Family dual enrollment classes are available for selection when selecting classes for next year.

Medical Terminology, Criminal Justice, Public Speaking, and Lifespan Development for Non-Majors (this is Child Development)

The list for Bucks County Community College dual enrollment will be available soon. I know...I know...I've been saying it for sometime now. Remember, these are classes offered by Archbishop Wood High School that have been aligned to the Community College's course catalog. There is a fee to earn the college credit.

Students and parents, if we have had personal conversations about leveling, and the proper leveling does not appear for the student, please let me know. I, too, will review it in the coming days.

The third quarter ended Friday, March 27. Grades are being finalized. Report cards will be sent the week of April 6.

Financial awards are currently in review for next year. The process runs from March into May, until available funds are distributed. All students receiving financial awards are required to have a FACTS Application on file each year. Those with an application already on file should hear from the financial aid committee by April 17th.

Around Campus

The FIAT Club brings you this Miraculous Monday Message to start your week:

Oh what a show! Last weekend the Performing Arts Club, under the direction of Mrs. Terry Dillinger, put on a phenomenal performance of The Wiz. You had to see it to believe it! A big congratulations to Terry and all of the cast, crew, and parents who made this all possible.

Yay! They did it again! Archbishop Wood's Robotics team, The Fighting RoboVikings won their second district competition at William Tennent H.S. Throughout the qualifications matches, Team 2607 ranked 2nd with a record of 17-0-0. They were the 1st pick of Alliance 1 and won the event. They also took the "Innovation in Control Award" sponsored by nVent. The FIRST organization states that this award "celebrates an innovative control system or application of control components-electrical, mechanical or software- to provide unique machine functions". Go! RoboVikings! Follow this link which shows the team's qualification points during 2026 FIRST Robotics competitions; <https://www.thebluealliance.com/team/2607>
