### **JR/SR Wars**

- Doubling down/tripling down this year. Not a school sponsored event whatsoever. Students cannot include Creekview in any posts online or there will be disciplinary consequences. Including talks with members of CCSO and reiterating how dangerous this whole thing is.

## **Next Year**

- Cell Phones- cell phone law going into effect soon. Going to be an adjustment period. More meetings and feedback to come to see how this looks going forward and how the discipline process will go.
