Dear Prospective Bidder,

The Bakersfield City School District is soliciting bids for School and Office Supplies, Bid #26-04-01. Bids will be received until **Tuesday, April 28, 2026, at 11:00 a.m. via our online bidding portal**. Vendors must register through the District's online bidding portal to review and submit bid opportunities www.bcsd.com/planetbids.

All specified items, or approved equals will be considered and it is imperative that bidders clearly identify the brands, product numbers, package quantities, and unit prices for the items bid. Any ambiguities in a bid response will be cause for rejection of that item. If there is any question as to the "or equal" nature of the alternate offering, please include a sample (see conditions 11 & 12). Please review the attached General Conditions and Instructions for Bidding prior to preparing your bid. A listing of our historical usage of specific items over a twelve (12) month period is included for your review only and is not a guarantee of purchases in similar quantities. Items will be ordered on an "as needed" basis in varying quantities. The bid will be awarded by line item to the lowest responsive and responsible bidder for one year, July 1, 2026 – June 30, 2027.

Bid pricing shall remain firm for the contract term unless the District approves a documented manufacturer's price increase. Any requested increase must be submitted in writing at least 60 days in advance, supported by manufacturer documentation, and shall not exceed 5% per line item during the term of the bid. All items must be bid, delivered, F.O.B. Bakersfield City School District warehouse or individual school site, as noted on the purchase order within thirty (30) business days of the purchase order date.

Bid tabulations will be available online following the May 26, 2026, Board Meeting. Please visit the BCSD.com website, under the Purchasing Department, to view active bids.

All prospective bidders must register to participate in the bid through the District's online portal to review bid opportunities, receive changes, and addenda. We look forward to receiving your electronic bid response.

Sincerely,

David West
