On the back, please write a **well-developed paragraph (5–8 sentences)** explaining why you are interested in attending Tech & Tinker Summer STEM Camp. Your paragraph should be thoughtful, detailed, and written in complete sentences. Be sure to explain your ideas clearly and give specific examples when possible.

💡 You may consider answering questions like:

- Why are you interested in learning about drones?
- What excites you most about Tech & Tinker?
- Have you ever built, designed, or experimented with something before?
- Do you enjoy solving problems or working on team challenges?
- How do you think this camp could help you grow?
- What STEM subjects (science, technology, engineering, math) interest you most?
- Have you ever flown a drone or wanted to?
- What skills would you like to improve this summer?
