HOW TO APPLY FOR THE TECH AND TINKER SUMMER STEM CAMP

Application Deadline: April 24, 2026

Oxford City Schools students in rising 5th-8th grade are invited to apply for the **Tech and Tinker Summer STEM Camp: Where Innovation Takes Flight** at the CREATE Technology and Innovation Center from July 6-9, 2026, 8:00 AM -11:30 AM. Space is limited!

Application Process

You have two ways to apply:

Option 1: Online Application

1. Complete the Google Form Application by scanning the QR code or by using the URL: <https://shorturl.at/Dp5oU>
2. Submit your online application by **April 24, 2026**.

OR

Option 2: Paper Application

1. Pick up a paper application from your school's media center.
2. Complete the application form.
3. Turn in our completed application to your school's media center by **April 24, 2026**.

Selection Criteria

Applications will be reviewed by a selection committee based on:

- ✓ Completed application submitted on time
- ✓ Thoughtful, well-written student paragraph
- ✓ Demonstrated interest in STEM and learning
- ✓ Positive school behavior and attendance

Next Steps

- Students selected to participate will receive a confirmation email or letter by **May 11, 2026**.
- A waitlist will be maintained if additional spots become available.
