Genesee Joint School District 282

A Tradition of excellence

330 W. Ash Street Genesee, ID 83832

Superintendent Introduction

I am honored and excited to introduce myself as the new Superintendent of Genesee Joint School District #282. It is a privilege to join a community with such a strong commitment to its schools, students, and families, and I am grateful for the opportunity to serve alongside you.

My name is Paul Anselmo, I am an Idaho native and bring with me a deep respect for public education and the important role schools play at the heart of a community. Throughout my career, I have worked closely with students, educators, families, and community partners to support academic excellence, student well-being, and continuous improvement. I believe that strong schools are built on trust, collaboration, and a shared vision for the future.

As I begin this new role, my first priority is to listen and learn. I look forward to getting to know our students, staff, parents, and community members, and to better understand what makes Genesee unique. I value open communication and believe that the best decisions are made when we work together with transparency and mutual respect.

Outside of work, I value family, community involvement, and spending time outdoors hunting, fishing, boating, and riding side by sides. I also enjoy sports whether that be watching, coaching, or attending school events. I am genuinely excited to become part of this community and to call Genesee home.

I look forward to working together to support our students and to continue building strong schools we can all be proud of.

With appreciation and enthusiasm,
Paul Anselmo
Incoming Superintendent
Genesee Joint School District #282
