

Eagle Bluff Elementary PTO Meeting
Monday, February 16, 2026 6:30 pm

I. Welcome and Introductions

Elizabeth, Erin, Jamie, Haley

Todd Saner, Lee & Allison K, Lindsey P, Jenny M, Lindsey W

Zoom: Lindsey Klein, Karen Alderman

II. Administrative Report (Todd Saner) & Teacher Report

Admin update from Todd: Shout out to Christine Stolz for her organization of leadership students.

They have had some great projects happening including the Humane Society Drive and then 5th grade helpers who are helping in the mornings to get students where they need to go. There are also some fifth graders that are helping with kindergarten. It has been great for leadership skills and some role modeling. Kimmi Mullenberg is also helping with this.

Battle of the Books is also happening now for 4th and 5th grades.

Family input survey coming tomorrow– watch your emails and for the QR code that will be posted around the building at PTC.

Concerts coming up in March: Grades 1 & 2 are on the March 10th, Grades 3 & 4 are on March 12th and Kindergarten is on the 13th. Grade 5 on May 7th.

Kindergarten team has been enjoying working with the fifth graders. As a team they have been working with kids with all the adjusted schedules for special events that have been happening this month.

First grade has had a busy month too! Global Day of Play = play all day! A favorite day every year. This year the kids loved Hot Wheels and making tracks.

Friendship Day was on Friday the 13th; together they made over 100 friendship bracelets.

Animal Habitat unit in CKLA is just wrapping up– it has been the favorite unit so far this year.

Second grade– Students have been really interested in the Winter

Olympics which ties back to their CKLA unit from earlier in the year. Besides the Olympics, they have been having fun with a lot of other celebrations this month: Superbowl Fun, 100th day of school, Global Day of Play, and Friendship Day

Third grade– They will be going to the Grow La Crosse Greenhouse to learn about life cycles before they start their work on the school garden. They are also going to the planetarium to wrap up their astronomy unit in CKLA.

This Thursday Girls & Boys basketball players are joining students (school wide) this Thursday to read and play with students.

III. Treasurer Report (Jamie)

December was a rather slow month, January had some expenses for movie night and some extra accountant paperwork.

IV. Past Event Recaps

a. McDonalds Family Night was a huge success! We raised \$1,000 for our school and teachers and staff enjoyed the night. Kids and families loved it too.

b. Science Fair (Elizabeth)

There was a good turn out– some last minute participants and some students did not show up. About 50 students participated in all and we had 9 judges which were mostly volunteer high school students.

Lindsay P. mentioned the earlier time was appreciated.

c. Movie Night (Haley)

It was a successful event! Many families attended and had fun together. Bleachers were a nice option to have for seating off the floor. A shorter movie was nice (keep in mind for next year– around 80 minutes as many kids get squirrely by about the 60 minute mark.)

V. Upcoming Event Updates

a. Conference Meal (Jamie/Elizabeth)- Feb 18th, 5:00 PM-5:40 PM

The meal preparation is all set– They will figure out final donations on Wednesday and grab items that are needed. They will plan to have set-up by 4:50 PM as teachers have their dinner break from 5-5:40 PM..
