Dear Region 10 Community:

I hope this message finds you well.

I am pleased to share an update with you following last evening's Board of Education meeting, where the proposed Region 10 budget was formally adopted. This milestone reflects a thoughtful and collaborative process, grounded in our shared commitment to providing strong opportunities for every student, every day.

I want to extend my sincere gratitude to our families, staff, and community members for your engagement, feedback, and continued support throughout this process. Your partnership plays an essential role in shaping the work we do and the decisions we make as a district.

To provide additional context and highlights from the meeting, I have included a [video summary](#) of the adopted budget.

As we move forward, I want to ensure everyone is aware of the upcoming town-wide referendum, which will take place on Tuesday, May 5th in both Burlington and Harwinton.

I also encourage you to visit the Budget Central page on the Region 10 website, where you can find detailed information, presentations, and resources related to the budget. If you have any questions or would like to learn more, please do not hesitate to reach out. We are always here to support you and provide clarity.

Thank you again for your continued partnership and for all that you do to support the students of Region 10.

Sincerely,
