

RISHWORTH
SCHOOL

A co-educational day and boarding school for children aged 3-18

Welcome to Rishworth School

As you step through our doors, you will immediately feel that Rishworth is more than just an incredible school, it is a true community. As a co-educational day and boarding school, from September 2026, we will be welcoming students from the age of eleven to eighteen. In my twenty-two years of working at the school, I have witnessed first-hand how each member of our community embodies a sense of purpose and a deep desire to make the most of the wide range of experiences and opportunities available and I am proud to lead Rishworth in its new era as the first female Head.

At Rishworth School, we encourage students to foster a deep love of learning, to build their confidence and courage to grow, to be an individual, whilst embracing the warmth and unity of our community.

Imaginations thrive throughout Rishworth, with a well-deserved reputation for nurturing the Creative and Performing Arts, and every student benefiting from specialist teaching from Year 7 onwards. We are proud to be recognised as one of the leading schools in the region for Sports, offering a wide range of scholarships every year, students flourish with an international standard of coaching. Programs such as the Duke of Edinburgh Award, the Extended Project Qualification, and Institute of Leadership and Management course are integral to our wider focus on service, leadership, and character building, preparing Rishworth students to become well-rounded, successful contributors to modern society.

I warmly invite you to take a virtual tour or schedule a visit to the school in person. At Rishworth, every day is an open day, and we would love for you and your family to join us on the most exciting journey of all, the growth and development of the next generation.

Mrs Jessica Sheldrick
Head of Rishworth School

Who we *are*

Rishworth School was founded in 1724 to educate girls and boys from the local community. Set in 140 acres of countryside in the beautiful Ryburn Valley, today, as a modern day and boarding school, Rishworth continues to play an important role in the immediate community, as well as being home to students from across the world.

Rishworth School offers a nurturing and personalised educational experience, enhanced by its broad, engaging curriculum and paired with a forward thinking and innovative pastoral system. Our vision is for each student to flourish in every aspect of their lives, developing the self-knowledge and self-reliance to find purpose and enjoy every opportunity in their lives.

At Rishworth School, we aim to create an environment in which the full potential of all students is realised and their achievements celebrated. To be a space where relationships are strong and the sense of community is constantly developed. To foster a respect for learning in all students, with a desire to understand and appreciate our world.

With that, comes our core values: Curiosity, Valour, Kindness and Individuality. We encourage students to seek new opportunities for learning and discovery, safeguard our community, environment and values, conduct themselves with dignity, respect for all and humility, as well as being unafraid to show initiative, to take a stand and do the right thing.

Introduction to *Senior School*

At Rishworth School, our location, facilities, and extra-curricular offerings enable students to learn in their own way and discover their passions, ensuring they become the best version of themselves.

We are known for our prowess on the sports pitch and many of our students have representational honours.
Rishworth students embrace the 'Rishworth Spirit' and are kind, community spirited members of the school.

Our motto 'Res non Verba' (Deeds not Words) exemplifies our no-nonsense approach to decision-making and action, allowing our students to become resilient young people.

All students and staff belong to one of four houses: Baitings, Boothwood, Ringstone or Scammonden, named after local reservoirs. Throughout the year students partake in inter-house competitions, and each house raises money for their chosen charity.

Senior School *Curriculum*

Our curriculum is thoughtfully designed to be exciting, challenging and innovative, tailored to meet the unique needs of each student. Rishworth students consistently achieve outstanding results in public examinations, allowing them to progress to their first-choice destinations.

Students forge lasting friendships and positive relations with their teachers and mentors. When the time comes for them to leave Rishworth, our students do so as excellent decision makers with the confidence to meet the world and the challenges it places before them.

Rishworth students have gained places at Oxbridge, and all who have applied to study medicine have achieved their place. Many others have progressed on to Universities including Cambridge, Kings College London, Bristol, Durham, Exeter, Leeds, Liverpool, Warwick and York. Some students venture straight into the workplace post-GCSEs, gaining sought after apprenticeships in Engineering, Set Design and much more.

Introduction to *Sixth Form*

The Sixth Form is very much a part of the whole school community at Rishworth.

Students join the Sixth Form with many goals: the fulfilment of their academic potential; the focus of their cultural pursuits and artistic talents; a challenge for their sporting interests; the development of life-long friendships; a growth in character and confidence; enrichment from a variety of views and experiences. Students will be encouraged, and have opportunities, to achieve these goals.

Our new Sixth Form Centre opened its doors in September 2024 and encompasses a state-of-the-art science lab, interactive equipment and study spaces for individual and group learning. The Sixth Form is a community where students can develop academically, culturally and personally. With our dedicated staff, small class sizes, and extensive extra-curricular options, their future starts here!

Rishworth Boarding

Boarding at Rishworth School provides a safe, caring and happy environment where students develop life-long friendships. Learning and living together, boarders become part of a warm and caring community, where every individual feels comfortable and accepted and where everyone is encouraged to discover and reach their full potential. Our boarders represent fourteen nationalities and bring diversity, fresh perspectives, and a cultural richness to Rishworth School.

The boarding areas provide modern facilities whilst preserving the original character of the grand and delightful historic stone buildings which house our boarders.

Our staff communicate regularly to create positive relationships with our boarding families and the school provide regular grades and reports ensuring parents and guardians can track the welfare and the progress of students.

During the evenings and weekends, boarding students have a variety of activities to choose from, such as trips to the Trafford Centre, Go Ape, paintballing, creative workshops, cinema, indoor skiing and restaurant visits.

Sport

Sport is an integral part of Rishworth's curriculum, as well as featuring intensely on our enrichment and extension programme, before school, during lunch and after school. Our sport-for-all policy challenges students of all abilities to strive for their goals. Our extensive range of high-quality sports and facilities ensures all students can find their niche.

Our sports teams compete in over 400 fixtures each year. Our bespoke coaching programme has resulted in students representing the school at county and international level.

Rishworth International Football Academy

Based at Rishworth School, Rishworth International Football Academy (RIFA) is an elite football training programme for both boys and girls which combines football with academic excellence to give young players the best start to their career in or out of football.

Our academy is built from industry experts both in the footballing and coaching professions to educational environments. Combined, our team have over a century of experience and knowledge to be able to guide students on the right path.

Creative & Performing Arts

At Rishworth School, the Creative and Performing Arts are a vital part of school life, providing every pupil with the opportunity to explore their imagination, develop artistic confidence, and express themselves through a wide variety of disciplines. Whether on stage, behind the camera, or in the studio, creativity thrives at Rishworth.

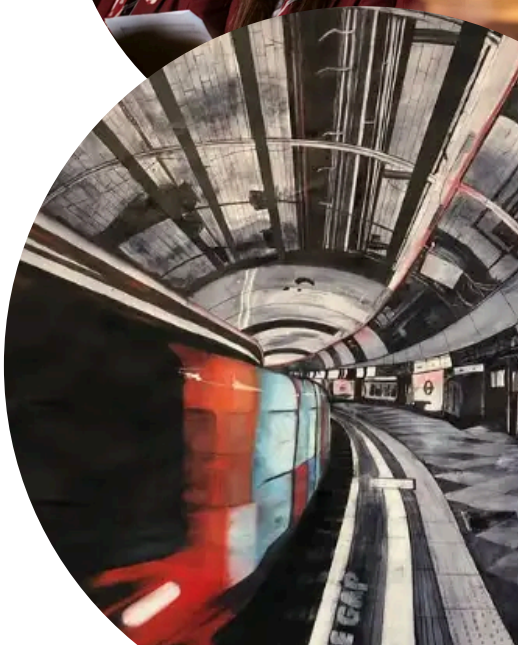

Our approach is inclusive, ambitious and exciting. From their very first day, pupils are encouraged to take creative risks, discover their voice, and celebrate the joy of performance and artistic expression.

Drama, Music and Art and Design are dynamic and inspiring parts of the Rishworth experience. Through timetabled lessons, co-curricular opportunities and public performances, pupils develop confidence, creativity and collaboration through the joyful, diverse and inclusive experiences.
