## Instructional Plan

### **Mission Statement**

The mission of George Stone Technical College (GSTC) is to provide quality academic, career, and technical education opportunities for all learners through instruction that integrates rigor, relevance, and relationships.

### **Admission Requirements**

Applicants must be at least 16 years of age and capable of meeting the academic, physical, and emotional demands of their chosen program. Admission is open to all individuals regardless of gender, age, race, color, religion, national origin, disability, or marital status in accordance with the school's nondiscrimination policy.

Admission Process:

1. Complete an online application at [www.GeorgeStoneCollege.edu](http://www.GeorgeStoneCollege.edu).
2. Take the basic skills assessment, if applicable.
3. Meet with a school counselor for advisement.
4. Provide documentation of Florida residency for tuition purposes.
5. Fulfill any program-specific entry requirements.

A high school diploma or GED® is not required for enrollment in most programs but is recommended prior to completion.

### **Basic Skills Assessment**

All students entering a Career and Technical Education (CTE) program of 450 hours or more (except Law Enforcement) must take a state-mandated basic skills evaluation prior to enrollment, unless qualifying for an exemption.

Exemptions include:

- Associate's degree or higher
- Active duty U.S. military
- Standard Florida high school diploma (2007 or later)
- State-approved industry certification aligned to the program

Students not meeting required scores must participate in remediation and demonstrate progress prior to program completion.

### **Disability Accommodations**

In order to receive disability accommodations, students must self-disclose the disability to the counseling staff during the admissions process and provide documentation that clearly shows evidence of a disability. A school counselor will schedule a meeting with the student and the instructor to discuss the documented disability and applicable accommodations. Accommodations are based on individual needs and designed to ensure equal access to instruction, assessments, and facilities. Accommodations received in postsecondary education may differ from those received in secondary education and are reasonable as they relate to the industry or field. GSTC provides waivers to students with disabilities as defined in Section 1004.02(6) of the Florida Statutes to meet the career basic skills grade levels required for completion of career and technical programs as described in rule 6A-10.040(2).

A student with a documented disability, who is enrolled for remediation through adult education, and has completed 90% of the competencies of a career and technical program of study with a cumulative grade point average of at least 80% or higher, may petition to receive a waiver for the basic skills exit exam after attempting to pass it on at least two occasions. Waiver requests are available from a school counselor.

### **Tuition and Fees**

Tuition is established by the Florida Legislature and payable at the start of each enrollment period. All required tuition, lab, and registration fees must be paid prior to class attendance.

- Florida Residents pay in-state tuition rates.
- Non-residents pay out-of-state rates per state policy.
- Eligible high school and dual-enrolled students receive tuition waivers.

### **Attendance Policy**

GSTC emphasizes attendance as critical for developing professionalism and achieving success. Students are expected to attend all scheduled hours and participate fully.

Key Guidelines:

- Absence of six (6) consecutive days results in withdrawal.
- Attendance below 83% triggers probation and possible withdrawal.
- Leave of absence (minimum 10 days) requires administrative approval.
- Attendance is measured by presence only; no excused/unexcused distinction.

### **Plan of Instructional Practices**

Instruction includes lecture, demonstration, discussion, guided practice, simulation, cooperative education, and industry-based projects. Faculty adapt instruction to meet individual learning needs and employ competency-based strategies aligned with state frameworks.

Students use textbooks, digital tools, lab equipment, and simulation technologies reflecting current industry standards.

### **Evaluation and Grading**

Evaluation is based on mastery of occupational competencies, participation, professionalism, and assessments.

Grading Scale:

A (90–100), B (80–89), C (70–79), D (60–69), F (Below 60)

A minimum grade of 70% and satisfactory progress are required to maintain enrollment and aid eligibility.

### **Work-Based Learning Activities**

Work-based learning is an essential component of each program and bridges classroom instruction with real-world experience.

Examples include:

- In-school lab/shop projects
- Job shadowing with employers
- Cooperative education
- Externships or clinical rotations

Each activity follows a written instructional plan with objectives, competencies, and evaluation criteria.

### **Professional Conduct and Social Media**

Students are expected to maintain professionalism, respect, and ethical behavior consistent with industry standards. Inappropriate use of social media, including the posting of confidential or offensive content, may result in disciplinary action or dismissal.

### **Certification and Completion**

To receive a Certificate of Completion, students must:

1. Meet competencies per Florida Department of Education frameworks.
2. Satisfy attendance and grade requirements.
3. Fulfill all financial obligations.
4. Meet basic skills exit standards (if applicable).

### **Financial Aid**

Policies and guidelines for the administration of all financial aid are established according to federal and state law. Applicants complete an information form, Free Application for Federal Student Aid, and furnish documentation needed to verify eligibility. More

information on the application process may be obtained in the Financial Aid Office. The Financial Aid Office will assist students, where possible, with access to financial support offered by federal agencies (U.S. Department of Education – Pell Grants, Department of Veterans' Affairs), other state and local agencies and local organizations (scholarships).

Florida Department of Education  
Curriculum Framework

**Program Title:** Florida Law Enforcement Academy  
**Program Type:** Career Preparatory  
**Career Cluster:** Law, Public Safety & Security

Career Certificate Program	
Program Number	P430105
CIP Number	0743010700
Grade Level	30, 31
Program Length	770 hours
Teacher Certification	Refer to the <b>Program Structure</b> section.
CTSO	N/A
SOC Codes (all applicable)	Please see the CIP to SOC Crosswalk located at the link below.
CTE Program Resources	<a href="http://www.fldoe.org/academics/career-adult-edu/career-tech-edu/program-resources.stml">http://www.fldoe.org/academics/career-adult-edu/career-tech-edu/program-resources.stml</a>
Basic Skills Level	Contact the Florida Department of Law Enforcement for information regarding basic skills and the Criminal Justice Basic Abilities Examination.

**Purpose**

This program offers a sequence of courses that provides coherent and rigorous content aligned with challenging academic standards and relevant technical knowledge and skills needed to prepare for further education and careers in the Law, Public Safety and Security career cluster; provides technical skill proficiency, and includes competency-based applied learning that contributes to the academic knowledge, higher-order reasoning and problem-solving skills, work attitudes, general employability skills, technical skills, and occupation-specific skills, and knowledge of all aspects of the Law, Public Safety and Security career cluster.

The Criminal Justice Standards and Training Commission (CJSTC) have established basic recruit training programs to provide foundational knowledge for aspiring officers in the respective criminal justice disciplines. The Florida Law Enforcement Academy curriculum consist of two textbooks (*Florida Law Enforcement Academy Training Program Volume 1* and *Florida Basic Recruit Training Program High Liability, Volume 2*) and their accompanying Instructor Guides.

**Additional Information** relevant to this Career and Technical Education (CTE) program is provided at the end of this document.

**Program Structure**

This program is a planned sequence of instruction consisting of one occupational completion point.

This program is comprised of courses which have been assigned course numbers in the SCNS (Statewide Course Numbering System) in accordance with Section 1007.24 (1), F.S. Career and Technical credit shall be awarded to the student on a transcript in accordance with Section 1001.44(3) (b), F.S.

This program is established for the purpose of providing job-related training to students that require certification, in accordance with Chapter 943, Florida Statutes (F.S.) and Chapter 11B-35, Florida Administrative Code (F.A.C.) as a full-time or part-time Law Enforcement Officer.

The content includes, but is not limited to, knowledge of codes of ethics; history and evolution of laws; introduction to the criminal justice system; statutory authority of the FDLE CJSTC; basic law and legal procedures; law enforcement operations; investigation knowledge and skills; laws, rules, and regulations of arrest; search and seizure; knowledge of use of force; defensive tactics; physical fitness; weapons skills; controlling and restraining techniques; traffic control and direction, DUI enforcement techniques; first aid techniques; communications skills; and human relations skills.

To teach the courses listed below, instructors must hold at least one of the teacher certifications indicated for that course.

The following table illustrates the postsecondary program structure:

OCP	Course Number	Course Title	Teacher Certification	Length
A	CJK0002	Introduction to Law Enforcement	LAW ENF @7 7G CORR OFF 7 G	12 hours
	CJK0016	Communication		24 hours
	CJK0018	Legal		64 hours
	CJK0019	Interviewing and Report Writing		56 hours
	CJK0063	Fundamentals of Patrol		40 hours
	CJK0021	Serving Your Community		34 hours
	CJK0072	Crimes Against Persons		48 hours
	CJK0073	Crimes Involving Property and Society		12 hours
	CJK0079	Crime Scene Follow-up Investigations		34 hours
	CJK0400	Traffic Incidents		12 hours
	CJK0401	Traffic Stops		24 hours
	CJK0402	Traffic Crash Investigations		30 hours
	CJK0403	DUI Traffic Stops		24 hours
	CJK0093	Critical Incidents		44 hours
	CJK0020	Law Enforcement Vehicle Operations		48 hours
	CJK0031	First Aid for Criminal Justice Officers		40 hours

OCP	Course Number	Course Title	Teacher Certification	Length
	CJK0040	Criminal Justice Firearms		80 hours
	CJK0051	Criminal Justice Defensive Tactics		80 hours
	CJK0421	Conducted Electrical Weapon/Dart-Firing Stun Gun		4 hours
	CJK0096	Criminal Justice Officer Physical Fitness Training/Law Enforcement		60 hours

**Common Career Technical Core – Career Ready Practices**

Career Ready Practices describe the career-ready skills that educators should seek to develop in their students. These practices are not exclusive to a Career Pathway, program of study, discipline or level of education. Career Ready Practices should be taught and reinforced in all career exploration and preparation programs with increasingly higher levels of complexity and expectation as a student advances through a program of study.

1. Act as a responsible and contributing citizen and employee.
2. Apply appropriate academic and technical skills.
3. Attend to personal health and financial well-being.
4. Communicate clearly, effectively and with reason.
5. Consider the environmental, social and economic impacts of decisions.
6. Demonstrate creativity and innovation.
7. Employ valid and reliable research strategies.
8. Utilize critical thinking to make sense of problems and persevere in solving them.
9. Model integrity, ethical leadership and effective management.
10. Plan education and career path aligned to personal goals.
11. Use technology to enhance productivity.
12. Work productively in teams while using cultural/global competence.

## **Standards**

**The Criminal Justice Standards & Training Commission (CJSTC) is responsible for establishing uniform minimum standards for the employment and training** of full-time, part-time, and auxiliary law enforcement, and correctional and correctional probation officers and for establishing and maintaining officer training programs, curricula requirements, and certification of training schools and training school instructors.

For more information about the commission-approved curriculum for the **Florida Law Enforcement Academy**, please email the FDLE Curriculum Section at [Curriculum@fdle.state.fl.us](mailto:Curriculum@fdle.state.fl.us).

## Additional Information

### **Laboratory Activities**

Laboratory investigations that include scientific inquiry, research, measurement, problem solving, emerging technologies, tools and equipment, as well as, experimental, quality, and safety procedures are an integral part of this career and technical program/course. Laboratory investigations benefit all students by developing an understanding of the complexity and ambiguity of empirical work, as well as the skills required to manage, operate, calibrate and troubleshoot equipment/tools used to make observations. Students understand measurement error; and have the skills to aggregate, interpret, and present the resulting data. Equipment and supplies should be provided to enhance hands-on experiences for students.

### **Cooperative Training – OJT**

On-the-job training is appropriate but not required for this program. Whenever offered, the rules, guidelines, and requirements specified in the OJT framework apply.

### **Basic Skills**

In Career Certificate Programs offered for 450 hours or more, in accordance with Rule 6A-10.040, F.A.C., the minimum basic skills grade levels required for postsecondary adult career and technical students to complete this program are: Computation (Mathematics) and Communications (Reading and Language Arts). These grade level numbers correspond to a grade equivalent score obtained on a state designated basic skills examination.

Adult students with disabilities, as defined in Section 1004.02, Florida Statutes, may be exempted from meeting the Basic Skills requirements (Rule 6A-10.040, F.A.C.). Students served in exceptional student education (except gifted) as defined in s. 1003.01, F.S., may also be exempted from meeting the Basic Skills requirement. Each school district and Florida College System Institution must adopt a policy addressing procedures for exempting eligible students with disabilities from the Basic Skills requirement as permitted in Section 1004.91, F.S.

### **Accommodations**

Federal and state legislation requires the provision of accommodations for students with disabilities to meet individual needs and ensure equal access. Postsecondary students with disabilities must self-identify, present documentation, request accommodations if needed, and develop a plan with their counselor and/or instructors. Accommodations received in postsecondary education may differ from those received in secondary education. Accommodations change the way the student is instructed. Students with disabilities may need accommodations in such areas as instructional methods and materials, assignments and assessments, time demands and schedules, learning environment, assistive technology and special communication systems. Documentation of the accommodations requested and provided should be maintained in a confidential file.

Note: postsecondary curriculum and regulated secondary programs cannot be modified.
