# Counselor's Corner
# From Mrs. Sulphur, Your School Counselor

## ✅ This Month's Theme: Being Responsible ✅

At Bethel Lower Elementary, we are learning about being responsible! Being responsible means making good choices, taking care of ourselves, others, and our school, and following through on tasks and promises.

## ✨What Does Being Responsible Look Like?

- Completing homework and classwork on time 📝
- Taking care of personal belongings and classroom materials 🎒
- Following rules and directions 👣
- Helping with chores at home or school 🏠
- Admitting mistakes and trying to fix them 💡

## 🌈 Why Is Being Responsible Important?

Being responsible helps us succeed, builds trust with teachers and friends, and creates a safe, organized, and respectful school environment.

## 🏠 Family Tip:

Create a Responsibility Chart at home! Track chores, homework, and personal responsibilities. Celebrate accomplishments at the end of the week. 🌟

## ❓ Ask Your Child:

- **What is one responsible thing you did at school today?**
- **How did it feel to complete your responsibilities?**
- **What is one responsibility you can practice at home?**

## 📚 Book Spotlight:

📖Lilly's Purple Plastic Purse by Kevin Henkes

A fun story that highlights responsibility and learning from our choices.

**💖✨Let's practice responsibility and take pride in our actions all month long!💖**
