 **Congratulations to our String Orchestra** students who performed at the District Strings Festival at the Sunset Center last night! Our Cougar Cubs orchestra was fantastic, featuring a beautiful rendition of Over the Rainbow and following that number up with the hit of the night, Golden, from KPop's Demon Hunters! Not to be outdone, the CMS Orchestra performed two incredible pieces, Mantras and Hungarian Variations that were both spectacular. Congratulations to all our CMS musicians on a fantastic performance!

 **2026-27 Leadership Applicants: This Friday is the final portion of the leadership selection process.** We will have a collaborative activity to see how well you work with others, use your creativity, and present in front of an audience. Please be prepared to come to the library during seventh with a positive attitude that allows your personality and leadership skills to shine. In addition, we are asking you to show your **CMS Cougar Pride** by wearing Carmel gear or LOTS of red. We would like to see how many of you go out of your way to show your school spirit!

 **Hey Battle of the Books Finalists!** Your well-earned RG Burger lunch is arriving tomorrow! Swing by the library to grab your delicious prize—you earned it!

 **Attention all space enthusiasts and citizens of planet earth.** On December 11th, 1972, humans last set foot on the moon. Today, over 50 years later, our species will make history again as we send off four brave astronauts to travel further than we have ever been before, over 230,000 miles from earth, to pass by the moon. NASA's Artemis 2 mission, which will last 10 days, has its first two-hour launch window opening today at 3:24 PM after school. Look for links to how to watch from your science teacher or just google Artemis 2 live launch to check out this historical event.

 **We know you love your Needohs,** however we are now having an issue with them popping on campus and ruining student's clothing, or items in the classroom. If you are caught popping a Needoh you will be given lunch detention. Please keep them in your backpack while on campus.

 **In the Wiffleball Tournament of Donuts** yesterday at Wiffler's Park, the **Moreno GAVINS** made quick work of the **KFC Mathe-Thorn Maniac Monkeys** in a dominant performance. The GAVINS blasted 10 home runs on the day, highlighted by a three-run shot from none other than Señora "Moonshot" Moreno. Andy Voigtschild nearly added three homers of his own but missed home plate by two feet, costing him one. Despite the mental error, the GAVINS went on to win 17-4. Today is a travel day, with competition set to resume Thursday when the **Grishler Goonies** face off against the **Scottish AnderDogs**.

In other Lunch Time News:

 **The Ball Locker** will be closed today due to the amount of trash left around the sports courts. In addition, 6 balls were not returned yesterday. We'll reopen the ball locker on Thursday, but if balls aren't returned and trash is left out, we'll be closing it again and next time we'll add additional time.

 **The Latino Cultures Club** is cancelled this week. Mrs. Moreno will see you next week.

 **Today's Menus: Breakfast:** Sausage, Egg, & Cheese Sandwich, a Chocolate Muffin, and Cinnamon Toast Crunch.

Lunch: Domino's Pizza, a Spicy Chicken Sandwich, BBQ Brisket Sandwich, or a Popcorn Chicken Salad.

 **Happy Birthday to:**
