Before joining Minnetonka, she coached at St. Cloud Tech High School and St. Cloud Cathedral High School. Dear Dancers, Families, Coaches and Fans,

As we wrap up another incredible season, I want to take a moment to celebrate everything we've accomplished together. This year has been filled with hard work, growth, and unforgettable memories—and none of it would have been possible without each of you.

To our dancers: Your dedication and passion have been the heartbeat of this program. Every practice, every performance, and every challenge you've faced has shown your strength and commitment. Watching you grow as athletes and teammates has been truly inspiring.

To our families: Thank you for being the foundation that supports this team. Your time, encouragement, and behind-the-scenes efforts make all the difference. We couldn't do what we do without your unwavering support.

To our coaches: Your leadership, guidance, and creativity have shaped this season in countless ways. Thank you for pushing our dancers to reach new heights and for fostering an environment where they can thrive. Your commitment to excellence and care for each individual truly sets this program apart.

To our fans: Your cheers and enthusiasm have fueled us all season long. You've brought energy to every performance and reminded us why we love what we do.

This season has been one to remember, and I'm so proud of what we've achieved together. I can't wait to see what the future holds for this amazing group. Thank you for being part of this journey and for making it so special!

Dear Team,

As this season comes to an end, we just want to say thank you!

Thank you so much for trusting us to lead this team, we have adored every moment of it and are so grateful for each and every one of you.

Thank you for showing up through early mornings, long practices, sore bodies, and everything in between. Thank you for pushing through when things were hard, staying disciplined when it wasn't easy, and choosing the team every single time. This season wasn't amazing just because of our scores—it was amazing because of how we supported one another through every high and low.

Each of you brought something special that no one else could replace. Whether you were a leader, a reliable teammate, someone who brought laughter, or someone who quietly worked hard—you mattered. This team is special because of the people on it. We didn't just grow as dancers, but as teammates, friends, and people!

This season had challenges, but it was also powerful. We pushed through tough moments, trusted each other, held one another accountable, and still showed so much care and respect. Watching this team come together and dance with so much heart has been amazing.

To our seniors: thank you for leading the way and setting the standard! To those coming back—keep it up! Work hard, be kind, and take pride in this team!

We are so proud of each of you. This season will always be remembered with so much love and so many great memories!

With lots of love,
MDT Leadership Team

TEAM MANAGEMENT

Betsy Bruce, Team Manager

This is my first year managing MDT. I have loved being able to watch everyone put so much effort into each and every performance and practice. Their love for each other and for this team shows so strongly in everything they do and I'm so lucky to be able to be a part of that!

Emma Varland, Team Manager

This is my second year managing MDT. My favorite part of managing the team is getting to watch how supportive everyone is of one another. It's so fun to hear the dancers cheering for their teammates when they nail a hard part of a dance. Being part of such a positive and encouraging team makes managing incredibly rewarding.

Elle McIntyre, Team Manager

This is my 3rd year managing MDT. My favorite part about being a manager is getting to witness the dedication and joy this team brings to every practice and performance. It's inspiring to see how hard the dancers work, and even more special to watch the way they celebrate each other's successes. Whether I am helping things run smoothly in the background or cheering from the bleachers, all of these moments have shown me how much heart this team has and have given me the chance to appreciate not only the hard work, but also the friendships and positivity that make this team so special. I feel so lucky to be part of such a supportive and uplifting community!

Layla Jones Julien

— JUNE 17, 2004 – DECEMBER 13, 2022 —

Layla Julien was a 2022 graduate of MHS and a dedicated member of the Skipperettes performance and competition dance teams. Layla lit up every room she entered with her warm smile, kindness and inclusivity.
Prior to her senior year at MHS, Layla suffered a seizure that ultimately led to a brain cancer diagnosis and several months of treatments. Throughout her treatments, she remained courageous and positive – an inspiration to all who knew her.
Layla passed away on December 13, 2022 after a 16-month battle with brain cancer. In May of 2023, the Julien family established the Layla Julien Foundation to honor Layla's legacy and to raise awareness for patients and families affected by pediatric brain cancer.

THE LAYLA JULIEN SCHOLARSHIP

2025 RECIPIENT
Cora Sherburne

Cora embodied what it means to be a Skipperette – in and out of practice and competitions. She was a leader within our school, community and team. She has shown us all what it means to be kind, encouraging and compassionate, and we are grateful for her commitment.

The Layla Julien Scholarship is awarded to an MHS senior dancer who best exemplifies the inclusivity and leadership that Layla displayed during her years on MDT. This award is presented by Layla's parents Robbin and Laura, and sister Georgie. Layla was known for her kindness, big heart and contagious smile. Her presence brightened every room and her light lives on.

Pre-performance ritual: Hugging my teammates, taking three deep breaths, and reminding myself of all the practice I've done to get here.

How have you changed since freshman year?: I have gotten a lot stronger and learned what it means to work hard and be a part of this team, which I am very grateful for.

I first started dancing: In first grade at Minnetonka JFK because my sister danced there.

Advice for younger dancers: Give your all to every performance and practice, because time flies. Don't look back and wish you gave more. But also have fun and look forward to improving and being with your team.

People who inspire me the most and why: The people who inspire me most are my family. They have supported me from my first day of dance class to my last competition. They always show up for me and have such a positive impact on my life.

Aubrey Kous

Years on MDT: 4 years

My family: Parents Abby and Justin, sibling Wyatt

One thing I can't live without: My inhaler (literally)

I **will always remember:** My freshman year JV kick dance Elvis.

Pre-performance ritual: JV starburst and giving Frankie a hug.

Ellie Maechler

Years on MDT: 5 years

Nickname: Baby Ellie

My family: Parents Katie and Greg, siblings Lily and Lucy

One thing I can't live without: Hairspray! I go through too many bottles to count per year!

Pre-performance ritual: My pre-performance ritual includes ensuring that I have either 4 or 8 bobby pins holding my hairpiece in place, praying as a team before we go on, visualizing myself calm on an island with my island buddy (Kayden), and taking four large, deep breaths before I perform!

Plans after graduation: I am not 100% sure where I'm going for undergrad yet, but I plan to major in chemistry on the pre-dental track! Following undergrad I intend to continue attending both dental school and an orthodontic residency program!

People who inspire me the most and why: My parents have been the biggest inspiration to me as they have truly allowed me to become the dancer and person that I am today. From the many car rides to and from the long practices to exemplifying a model of who I want to become as an adult, they have provided a constant and loving support system that has carried me through high school.

People who inspire me the most and why: My mom and my dad, because they set an example of who I want to be when I'm older and show me just how far I can go and help me along the way. I'd also say Coach Moon as he has impacted me and my perspective in more ways than I thought was possible.

Favorite Song: "Pump it Up" especially before performances

Kayden Pelstring

Years on MDT: 5 years

Nicknames: KP, Kay/K, Kay-Rae, Stiffy

My family: Parents Jen and Ryan, siblings Owen and Gavin

Pre-Performance Ritual: Always do my handshake with Briley and find Ellie to do our little reminder/meditation (island!!)

I will always remember: Getting a diaper thrown at us mid practice...

Advice for younger dancers: This is super repetitive, but so true, soak in every moment. With that being said, don't feel bad if you really don't want to be there one day, trust I've had so many of those days, but just try and reset and remind yourself that it is worth it. Be kind to yourself, that's the most important thing :)

Person who inspires me the most and why: My mom inspires me the most, not only just by being the person that she is, but also by the ways she constantly finds ways to support me in everything that I do. No matter what, she is there, whether I need to talk, cry, laugh, or just sit with her, she has never failed to let me down. She has never failed to make sure I know that I'm not doing this alone. I love you mama!

Plans after graduation: College, majoring in business and minoring in Spanish!

Favorite Song: "Iris" by the Goo Goo Dolls

Emma Vanland
