MISSION STATEMENT

Pleasant Valley Elementary School will focus on student centered learning and promoting the education of the **WHOLE** child! We will **ALL** work together in a collaborative manner to promote student success.

A MESSAGE FROM THE PRINCIPALS

Now that spring has arrived, PVE students and staff are excited for the return of warmer weather! We cannot wait to participate in all of the fun that the season brings. Our 4th marking period is full of fun activities such as field trips, field days, special rewards, and seasonal activities. Please make sure you have completed the Permissions and Agreements in PowerSchool. If the permissions are not completed, your child **WILL NOT** be able to attend the field trip. Also, please watch the weather carefully to make sure that your child has the appropriate sweaters/jackets each day to account for fluctuations in temperature.

A NOTE FROM THE NURSES

Happy April! With classes starting to go back outside for recess, please make sure you send your child in with a sweater or coat when it is cold out. Please send your students in with an extra set of clothes as accidents do happen.

Field trips will be starting next month - if your student has any medical needs (allergies, etc.) and you are interested in attending the field trip with them please reach out to their teacher or the front office regarding getting clearances and forms so you can attend.

COUNSELORS' CORNER

At PVE, we are so excited to see our students learning and engaging with their peers in such positive and safe ways! To support this great environment, our school utilizes the **PAWS** framework as part of our **School-Wide Positive Behavior Program**.

When students model these positive behaviors, they earn Bear Paws for demonstrating our four core values:

- Prepared to Learn
- Always be Respectful
- Winning Choices
- Safety First

The best part? Students get to take ownership of their hard work! Bear Paws can be "cashed in" for a variety of exciting rewards that your student gets to choose themselves.

Ask your student today: "How many Bear Paws have you earned this week, and what reward are you saving up for?"
