

MAINTENANCE OF FACILITIES RECORDS: 6955

The maintenance of adequate records is vitally important to the future facilities' operation and maintenance program within the district, and to the resolution of any disputes that may arise regarding a construction project.

The Superintendent or designee will keep relevant reports, documents, and plans as they relate to an existing or proposed project. The records will include copies of relevant correspondence relating to the project. The Superintendent or designee will require from the architect, engineer, contractor, or other parties at least the following, as they become available:

- A. Inspection, progress, and compliance reports;
- B. Results from tests of material quality and composition;
- C. Hard copies and/or electronic copies of drawings, plans, specifications, estimates, as-built documents, and maintenance manuals for buildings and sites;
- D. Conveyance records, title searches, bond issuance records and permits, licenses, and legal documents issued or executed pursuant to the project;
- E. Guarantees and warranties; and
- F. Other documents relevant to the project, such as board resolutions and change orders.
