BE PART OF THIS SPECIAL DAY

Proceeds from this event are dedicated by the Foundation to support Middle Country students in the form of scholarships, increased educational opportunities and enhancements.

There is ample need for sponsors and prize donors, and we will, of course look forward to your participation should you and/or company staff like to join us for a round of golf!

SPONSORSHIP

The Foundation is preparing vendor publicity materials and golfer foursomes. Please submit your sponsorships and golfer registrations promptly, so that your company can get recognition for participation in the event, and to help us get golfers properly grouped and registered with the country club!

DR. KAREN J. LESSLER
A life that touches others goes on forever

Dr. Karen J. Lessler served the Middle Country and Long Island educational community for over 25 years

One senior from each high school will be awarded a scholarship for their commitment to lifelong learning and service to others.

The Dr. Karen J. Lessler Memorial Scholarship Fund accepts support and donations in Karen's name and honor, thereby expanding the MCEF scholarship reach to high school students who excel in the broad and special area of leadership in their school communities. The scholarship will help awarded students carry those special qualities of character and leadership into the adult world ahead.

We will never forget someone who gave us so much to remember.
