ESSA - Alternative

Employees only work on student days throughout the school year. However this calendar offers an alternative flex to ESSAs only by beginning 7 days before school starts, off one additional day in October, two additional days in November, two additional days in December, and two additional days in March. The calendar year ends the last day of school.

ESSA - Flex

Employees only work on student days throughout the school year. However, this flex calendar for ESSAs only, begins the day before school starts and end the day after the last day of school. These two days are "flexed" with the Monday/Tuesday during Thanksgiving week which are then unassigned work days.
