

HOW TO REGISTER

Dallas ISD Online Student Registration for 2026-2027

Step-by-Step
(Video Guide)

1 ACCESS THE PORTAL

- Go to the official registration site:

choosedallasisd.schoolmint.com

- From your welcome dashboard, find your student's name and click **Add Form(s)**
- Select **Begin Registration** (your assigned school will appear automatically).
- Click **Register** to proceed.

2 FILL OUT THE FORM

The form includes several sections; completed ones show a green check . Key sections:

- Guardian & Emergency Contacts:** Provide relationships, phone numbers, and permissions as needed.
- Document Upload:** Use **Choose File** to upload required documents, such as birth certificates and proof of residence.

3 REVIEW AND SUBMIT

- In the **Review and Send** section, check all your entries to ensure accuracy.
- Click the pencil icon to make any changes.
- Click **Submit Registration** to complete the process.

4 POST-SUBMISSION & SUPPORT

- Confirmation: Once submitted, your dashboard status will update to **Submitted**
- Monitoring: Regularly check the **Message Center** in your portal's top navigation bar for official updates and notices.
