

Merit Scholarship Application Quality Schools International Montenegro 2026-2027 School Year

Before filling out the application your child must be admitted to QSIM through Open Apply. Please note that the Merit Scholarship Application for the 2026–2027 school year can be submitted by email to **rachel-geary@montenegro.qsi.org** or delivered as a printed and completed copy to the school reception.

The following items must be completed and received by the school for your Scholarship Application to be processed.

- ☐ **A student must be accepted as a student before applying for a scholarship. Admission is managed through Open Apply.**
- ☐ Statement from Employer. Attach.
- ☐ Financial Disclosure. Attach.

Based on the school reports, submitted on Open Apply, we may require NWEA MAP testing and a writing sample before considering your child's application for a Merit Scholarship.

Student name: _____

Statement from Employer

This program is only available to those who receive limited or no financial assistance towards educational expenses from their employer. We require a statement from your employer to verify this fact. This statement should be on the company/organizational letterhead and signed by an appropriate administrator. Alternatively, it can be described in a Statement of Benefits.

Financial Disclosure

All applicants are required to declare the full and complete financial status of all parents and guardians of the student(s) including verification of income, declaration of property ownership, and declaration of company/business ownership.

Verification of Basic Income

- ✓ A declaration of income
- ✓ A declaration of family ownership of property (primary and rental)
- ✓ A declaration of family ownership of companies including identification, percent ownership

QSI Montenegro will query publicly available resources such as the Credit Bureau and CRPS (Centrali registar privrednih subjeckarta Crna Gore) to verify information. Inaccurate or incomplete reporting will lead to denial of scholarship.

All financial documents are treated as highly confidential. Documents are physically and virtually destroyed after the Advisory Board makes a decision regarding scholarship.

Notice of Parental Consent: *As parents, we understand that QSI International School of Montenegro reserves the right to check the accuracy of the information contained in the application with employers, tax authorities, and schools. By signing below, we give QSI permission to do so when determining the eligibility of our child for a scholarship. We understand that it is our responsibility to submit all educational records including academic, health and behavioral records which must be submitted to QSI along with this application. Additionally, we understand that it is our responsibility to give full financial disclosure as part of this application. Any attempt to falsify information in this application will immediately disqualify our application. Additionally, we understand the terms of the scholarship as written above and understand that the final decision on all scholarships lies with the QSI leadership. My signature below ensures that all information is accurate and truthful.*
