## Policy JICJ: Anti-Bullying/School Safety

### Policy Implementation and Enforcement

During the school day, students are prohibited from accessing their personal electronic devices, unless authorized for classroom use. Students may not wear or access device accessories during the school day. Students must store their devices and device accessories in lockers, backpacks, or otherwise as directed by the school district during the school day. Districts may forbid student possession of devices and device accessories on school property.

A) If explicitly required by a student's IEP, Medical Plan, or 504 plan, the student shall be allowed to access their personal electronic device for medically or educationally necessary purposes described and required for administration of the IEP, Medical Plan or 504 plan.

B) A student who is a member of a volunteer firefighting organization or emergency organization may be authorized to carry a device with written permission from the District Superintendent or his/her designee.

C) If a student violates the preceding rules during the school day, the student will be subject to progressive consequences in the student code of conduct and disciplinary enforcement procedures.
