KNOWLEDGE QUEST IS COMING!

Once again your child has the opportunity to help earn money for Nasonville School and our new playground equipment. **100%** of the proceeds come right back to your children through the PTO. Students will be tested on Friday April 10.

PRINCIPAL'S CORNER

Spring - A Beginning and an End!

Spring typically marks the beginning of warmer weather and refreshing new growth. From the school's perspective, spring is a sign that the end of the school year is near which makes it a perfect time to check in with your child's classroom teacher.

Reflect on conversations you had at parent/teacher conferences earlier this school year. Has your child made improvements where needed? Have they made the academic and social growth you had expected? Does your child's teacher have recommendations for the remainder of this school year, summertime, etc....?

With summer just around the corner it is important to think about your child's preparation for the next school year. Your child's success for the next school year will stem from the efforts you make together with their teacher this year.

SEVERE WEATHER AWARENESS WEEK

Wisconsin Emergency Management and the National Weather Service has designated April 13 - 17 as Statewide Tornado and Severe Weather Awareness Week in Wisconsin. The statewide tornado drill will be held on Thursday, April 16, beginning with a simulated tornado watch and followed by a simulated warning.

WARM WEATHER REMINDERS

As the warm weather begins to arrive, we would like to remind parents and students of the following dress code guidelines found in the Parent-Student Handbook:

- hats, caps and sunglasses may not be worn inside the school
- clothing should always completely cover the torso from above chest cleavage to mid-thigh – no midriffs showing
- tank tops with approximately a 2-inch strap will be allowed
- clothing and personal items which promote or support intolerance, alcohol, drugs, profanity, sexual conduct and violence will not be allowed on school grounds
- pants and shorts must be worn on the waistline, no sagging
- shoes or sturdy sandals must be worn at all times- **NO FLIP FLOPS**
- tennis shoes are required for physical education classes.

REMINDER: Please do not allow your child to wear pajamas to school. This makes it very difficult for them to stay engaged and alert.

Please do not allow your child to wear crop tops and short shorts. Be sure your child is appropriately covered in their attire.

Emerging Talents Virtual Art Show!

Be sure to check out the great artwork displayed on the district home page!

Congratulations to the Nasonville students who have artwork displayed:

*Ellie Osbourne
Josie Drexler
Lawrence Avila
Riley Folz*

All About Patience

Parents,

Hello! Here at school, we have been very busy learning about patience- why it's important and how we can be more patient! Learning happens best when it is done both at school and at home. Below are many ways that you can help your child continue to learn about the theme of patience through reading about it, talking about it, and practicing it! We have enjoyed exploring this topic at school, and I hope your family will enjoy it just as much!

Read About It!

Here are some books to help you learn more about patience:

- *Water Hole Waiting*
By Christopher Kutz Jane
- *Waiting*
by Kevin Henkes
- *The Carrot Seed*
by Ruth Krauss
- *Hippos Can't Wait*
by Michael Gordon

Practice It!

Get a bag of your child's favorite candy – M&Ms or Skittles work great! Tell your child that he/she can have one piece now, half the bag if he/she can wait 30 minutes, or the whole bag if he/she can wait an hour. When they are finished, talk about why your child made the decision he/she made. Was it hard to wait for the candy?

Talk About It!

Here are some discussion points to help you talk about patience with your child:

- What does it mean to be patient and why is it important?
- Why can it be difficult to wait?
- Tell me about a time you had to wait for something. Was it worth the wait?
- What is something you can do or something you can tell yourself to make waiting easier?
