What's Happening at MLR?

Match Madness

Our fifth graders had a great time at Match Madness. They got to explore several local non profits, learned about the important work they do and then decided which organization they would support with their donation. We are so proud to be apart of a community that gives our students this awesome opportunity.

Severe Weather Information:

Tornado Warnings During School

If a tornado warning begins during the school day, students and staff will take refuge in the storm shelter. It is important to note that once students and staff relocate to the storm shelter, entry into the building is not guaranteed. Parents are strongly encouraged to seek shelter and wait until after the warning has been lifted before coming to the school.

Tornado Warnings and Bus Transportation

If a tornado warning occurs when buses are transporting students, the buses will immediately go to the nearest school building to seek shelter until the warning is lifted. Buses will then continue transporting students home.
