CCPS Elementary Scholars Shine in Inaugural Social Studies Quiz Bowl

JONESBORO - The Clayton County Public Schools (CCPS) Elementary Department of Social Studies is proud to celebrate the success of our first Elementary Social Studies Quiz Bowl! This exciting academic competition showcased the Social Studies knowledge of our 3rd through 5th-grade scholars. Throughout the school year, students worked diligently to prepare, demonstrating their understanding of history, geography, civics, and economics. Events like this bring the department's vision to life, proving that Social Studies is Real Life, Right Now.

We are incredibly proud of all the students who participated and represented their schools with excellence. In addition, each coach's commitment to student learning and academic excellence played a vital role in the success of this event.
