WHY CHOOSE SIXTH GRADE ACADEMY?

Nurturing Environment

Students remain in a familiar, supportive elementary setting while taking on new challenges and responsibilities.

Focused Academic Growth

Strong foundations in reading, math, writing, and critical thinking — preparing students for middle school expectations.

Leadership & Independence

Students develop organization, responsibility, and leadership skills in a setting tailored to their developmental needs.

Smooth Transition

An extra year to grow reduces anxiety and builds readiness for the next big step in their academic journey.
