Department of Teaching and Learning

GUIDE TO HIGH SCHOOL SUMMER PROGRAMS 2026

Mission Statement

Virginia Beach City Public Schools, in partnership with the entire community, will empower every student to become a life-long learner who is a responsible, productive and engaged citizen within the global community.

GENERAL INFORMATION

The Guide to High School Summer Programs provides students and families with specific information about the programs that are available through summer school. Students and families should review this publication and consult with school counselors and/or teachers to determine which programs may be appropriate. When selecting a program, it is important to remember that all courses offered in Virginia Beach City Public Schools (VBCPS) are available on a nondiscriminatory basis.

HIGH SCHOOL SUMMER PROGRAM DESCRIPTIONS

High School summer programing offers opportunities for:

1. **Virginia Beach Digital Campus Credit Courses:** Courses for students who want to accelerate their program of study or those behind in credits needing a full course to stay on the proper graduation schedule (VBDC)
2. **Repeat Face-to-Face courses:** Face-to-face opportunities available only for students who did not successfully complete one course during the regular school year (Repeat Face-to-Face Courses) Please contact the school counselor if a student did not earn a passing grade in two courses.
3. **Boost:** Preparation opportunities for select math or science courses to develop skills for the upcoming school year
4. **SOL Fast Track Tutoring:** Support available for students who need to retake an SOL course to meet the Standards of Learning (SOL) verified credit diploma criteria or the CTE certification graduation requirement,

VIRGINIA BEACH DIGITAL CAMPUS

Virginia Beach Digital Campus (VBDC) will offer summer school programming for students interested in taking a class for the **first time** to accelerate their programming or those behind in credits needing a full course to stay on the proper graduation schedule. These courses are completely online and asynchronous in nature. Students must keep up with due dates and requirements as set forth by the instructor. Students enrolling in a credit bearing course for the first time or who are behind in credits must complete a summer program equal to one year of instruction in the regular school term to receive full credit (June 16 - August 4). Students who are taking a course through VBDC are advised to take **no more than two first-time course offerings**. Each course requires 20-25 hours per week of student engagement.

Parents and/ or guardians and students should work with school counselors to determine the best fit for the student. Registration is required, and there is a fee for VBDC online courses.

All course offerings are dependent upon sufficient enrollment and the availability of certified and endorsed instructors. Certain courses fill quickly, so parents are advised to register as soon as possible. As courses fill, they will be removed from the registration Webstore.

Questions regarding proper VBDC course selection and VBDC course eligibility should be directed to a student's homeschool counselor.

Questions regarding VBDC course offerings and the VBDC course registration process should be emailed to VBDC@vbschools.com, or you may call 757-263-6849.

Virginia Beach Digital Campus FIRST-TIME ONLINE Courses Offerings	
Course Title	Course Number
Online Astronomy	SCO260
Online Chemistry	SCO410
Online Biology	SCO310
Online Environmental Science	SCO320
Online Earth Science	SCO210
Online Oceanography	SCO250
Online English 9	LAO130
Online English 10	LAO140
Online English 11	LAO150

Virginia Beach Digital Campus FIRST-TIME ONLINE Courses Offerings	
Online English 12	LAO160
Online Health & PE I	PEO730
Online Health & PE II with Driver ED Classroom	PEO740
Online VA/US Government	SOO440
Online VA/US History	SOO360
Online World Geography	SOO216
Online World History & Geography, Part 1	SOO344
Online World History & Geography, Part 2	SOO340
Online Economics & Personal Finance	BEO130
Online Algebra 1	MAO130
Online Algebra 2/Trigonometry	MAO137
Online Geometry	MAO143
Online Algebra, Functions & Data Analysis	MAO134

Virginia Beach Digital Campus - FIRST TIME Course Registration and Tuition

Information about the online program is available through the [Virginia Beach Digital Campus \(VBDC\) Summer School website](#). Electronic registration and payment online begins on **May 4** for the Virginia Beach Digital Campus full summer courses through the [webstore](#). Registration closes on **June 8**. Students must provide their student identification number at the time of registration.

Registration and payment of fees for ONLINE summer school courses must be completed online. Both registration and payment must be completed before leaving the registration website. **Students are not registered until payment is received.**

Students are advised to take no more than two first-time course offerings through VBDC. Each course requires 20-25 hours per week of student engagement.

NOTE: No course registrations or payments for **VBDC ONLINE CLASSES** will be accepted at any summer school site either before or during regular summer school registration.

Virginia Beach Digital Campus Tuition Table		
Tuition Level	VBDC Year Course (Except Health and PE II)	VBDC Health & PE II
Level I (full cost meals)	\$300	\$360
Level II (reduced cost meals)	\$150	\$210
Level III (free meals)	\$75	\$135

HIGH SCHOOL SUMMER REPEAT FACE-to-FACE COURSE OFFERINGS

The Repeat Face-to-Face high school summer program is designed for students who did not successfully complete a course during the 2025–2026 school year and need to retake the course. Students may take a maximum of **one repeat face to face course** during summer school.

All repeat face-to-face courses are held at one of the two high school host summer school sites. Students enrolled in a repeat face-to-face course will need to plan to attend four hours of face-to-face instruction Monday - Thursday, 9:10 a.m. - 1:10 p.m. ESL support will be provided for English learners enrolled in repeat face-to-face courses at both summer school sites.

Parents and/or guardians and students should work with school counselors and teachers to determine the best option for the student. Registration is required, and there is a fee for repeat face-to-face courses. All course offerings are dependent upon enrollment and the availability of certified and endorsed instructors.

All course offerings are dependent upon enrollment and the availability of certified and endorsed instructors.

Questions regarding proper Repeat Face-to-Face course selection should be directed to a student's school counselor.

Questions regarding the Repeat Face-to-Face course registration process should be emailed to SummerSchool@vbschools.com or you may call 757-263-6856

ANTICIPATED 2026 High School Summer REPEAT Face-to-Face Course Offerings*	
Course Title	Course Number
Algebra 1 (repeat only)	SMA130
Algebra 2 (repeat only)	SMA135
Algebra, Functions and Data Analysis (AFDA) (repeat only)	SMA134

VA & US History (repeat only)	SSO360
WH and Geography Part I (repeat only)	SSO344

*REPEAT Face-to-Face Summer Course offerings may ONLY be taken by students who have previously taken the course and not earned a passing grade. Students may take ONLY ONE REPEAT Face-to-Face Course. **Please contact the school counselor if a student did not earn a passing grade in two courses.**

HIGH SCHOOL SUMMER REPEAT FACE-to-FACE STUDENT SCHEDULE

High School Student Schedule REPEAT Face-to-Face Courses

Date Range	Face-to-Face Hours
Monday, July 6 - Thursday, July 30 (No Classes on Fridays)	Monday - Thursday 9:10 a.m. - 1:10 p.m.

HIGH SCHOOL SUMMER REPEAT FACE-to-FACE COURSE REGISTRATION, PAYMENT and TUITION

REPEAT FACE-to-FACE SUMMER SCHOOL REGISTRATION & PAYMENT:

Electronic registration and payment online begins on **May 4, 2026** for REPEAT FACE-to-FACE courses through the webstore. Registration closes on **June 17, 2026**. A student identification number (lunch number) will need to be provided at the time of registration.

Electronic registration and payment of fees for REPEAT face-to-face summer school courses must be completed online through the webstore. Both registration and payment must be completed before leaving the webstore. **Students are not registered until payment is received.**

To access the webstore visit <https://virginiabeach.revtrak.net/>

To access the VBCPS Summer School website visit:
<https://www.vbschools.com/academics/summerschool>

TRAEP students are required to provide a letter from the principal at TRAEP, recommending summer school attendance. Administrators may also contact the Office of Student Leadership to request verification. Students are not permitted to enroll without the written recommendation of the principal at TRAEP and/or verification from the Office of Student Leadership.

Questions regarding registration should be directed to the summer school office at summerschool@vbschools.com.

NON-VBCPS STUDENTS WITH VIRGINIA BEACH RESIDENCY

Only students whose parents/guardians are residents of Virginia Beach are eligible to attend VBCPS summer school classes. It is the responsibility of the student/parent/guardian to obtain written permission from the administration of the student's current school to attend summer classes and to have credits earned transferred.

Eligible non-VBCPS enrollees must present documentation of residency.

Before an out-of-district student may begin a summer school class, the following documentation is required to establish residency for registration:

- Certified birth certificate for any student being admitted for the first time to any public school;
- Two proofs of address (examples include: signed lease/mortgage statement, current gas, water, electric bill);
- Proof of legal custody of student if living only temporarily in the household; and
- Current immunization record

Please email the above-mentioned documents to summerschool@vbschools.com. An appointment will be scheduled upon receipt of the emailed documents to complete registration and payment.

TUITION for HIGH SCHOOL SUMMER REPEAT FACE-to-FACE COURSE

Tuition for repeat face-to-face courses must be paid at the time of registration. Payment is collected immediately online with a credit or debit card during the registration process. Extended School Year (ESY) services, SOL Fast Track Tutoring, and Boost opportunities are offered at no cost.

High School Summer School Repeat Face-to-Face Tuition Rate

Tuition Level	Repeat Face-to-Face Course
Level I (full cost meals)	\$200
Level II (reduced cost meals)	\$100
Level III (free meals)	\$40

REDUCED TUITION FOR ELIGIBLE STUDENTS

Students who have a completed free/reduced meal form on file and have already been determined eligible for reduced price or free meals during the 2025-2026 school year are eligible to receive summer school tuition at a reduced rate. Please refer to the Summer School Face-to-Face Tuition Rate Table.

NOTE:

- Free/reduced meal applications must be filed online at www.schoolcafe.com.
- No course registration or payments will be accepted at any summer school site before or during regular summer school registration.

REFUNDS

Requests for refunds must be made by emailing summerschool@vbschools.com **BEFORE** the first

day of class, Monday, July 6. Faculty and Staff are hired for summer school based on student enrollment. **No refunds** will be honored after the first day of class. Questions regarding tuition should be directed to the summer school office at summerschool@vbschools.com.

HIGH SCHOOL BOOST OPPORTUNITIES

Boost opportunities for Science and Math courses will be offered during Summer 2026. Boost opportunities are online preparation courses designed to build the skills necessary for success in the courses students plan to take during the 2026-2027 school year. The courses will be asynchronous through Canvas at no cost to parents and/or guardians.

Students will join Boost opportunities through the appropriate link located below in each offering description or via the <https://www.vbschools.com/academics/summerschool/high-school/boost>.

How to Join a Boost course:

1. Select the link to the appropriate Boost opportunity.
2. Select the “Enroll in Course” button.
3. An email will be issued before June 16 to access the Boost Opportunities.

High School Boost	
Who	Students enrolled in math or science for the upcoming school year interested in building skills prior to the start of the school year.
What	Boost opportunities are offered for math and science courses. Boosts are asynchronous preparation courses designed to build the skills necessary for success in the courses students plan to take in the upcoming school year.
Where	Canvas
When	June 16 - August 10
How	There is NO FEE associated with Boost opportunities. Students will join the Boost opportunities directly through Canvas by entering the appropriate course code.

ALGEBRA 1 PREP (SMA131)

Participants: High school students enrolling in Algebra 1 in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/79398L>

Dates: June 16 - August 10

Times: Asynchronous

Locations: Online through Canvas

Tuition: No charge

This enrichment course is designed for students scheduled to take Algebra I next school year. The focus of this course is to strengthen the student's pre-algebra skills to develop mathematical concepts and prepare students for Algebra I. Students will explore simplifying expressions, solving equations and inequalities and graphing lines. Through this course, students will build their confidence in mathematics, become problem solvers, communicate mathematically and learn to reason using mathematics.

Students do not earn a grade for this program as it is intended to allow students to build confidence in mathematics content, skills and practices.

ALGEBRA 2 PREP (SMA136)

Participants: High school students enrolling in Algebra 2 in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/MLKR8Y>

Dates: June 16 - August 10

Times: Asynchronous

Locations: Online through Canvas

Tuition: No charge

This enrichment course is designed for students scheduled to take Algebra II or Algebra II/Trig next school year. The focus of this course is to strengthen the student's algebra and geometric skills to develop mathematical concepts and prepare students for Algebra II or Algebra II/Trig. Students will explore how to graph, transform, simplify and solve polynomial functions. Through this course, students will build their confidence in mathematics, become problem solvers, communicate mathematically and learn to reason using mathematics.

Students do not earn a grade for this program as it is intended to allow students to build confidence in mathematics content, skills and practices.

GEOMETRY PREP (SMA144)

Participants: High school students enrolling in Geometry in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/3A9WKD>

Dates: June 16 - August 10

Times: Asynchronous

Locations: Online through Canvas

Tuition: No charge

This enrichment course is designed for students scheduled to take Geometry next school year. The focus of this course is to strengthen the student's algebraic and geometric skills to develop mathematical concepts and prepare students for Geometry. Students will explore the different geometric shapes with a focus on triangles, linear equations and parallel lines. Through this course, students will build their confidence in mathematics, become problem solvers, communicate mathematically and learn to reason using mathematics.

Students do not earn a grade for this program as it is intended to allow students to build confidence in mathematics content, skills and practices.

PRECALCULUS PREP (SMA161)

Participants: High school students enrolling in Precalculus in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/PLXECM>

Dates: June 16 - August 10
Times: Asynchronous
Locations: Online through Canvas
Tuition: No charge

This enrichment course is designed for students scheduled to take Precalculus next school year. The focus of this course is to strengthen the student's algebraic and geometric skills to develop mathematical concepts and prepare students for Precalculus. Students will explore how to graph, transform, simplify and solve functions: rational, logarithmic, exponential and trigonometric. Through this course, students will build their confidence in mathematics, become problem solvers, communicate mathematically and learn to reason using mathematics. Students do not earn a grade for this program as it is intended to allow students to build confidence in mathematics content, skills and practices.

EARTH SCIENCE PREP (SSC211)

Participants: High school students enrolling in Earth Science in Fall 2026
Link to access Canvas: <https://vbschools.instructure.com/enroll/BJGW4N>
Dates: June 16 - August 10
Times: Asynchronous
Locations: Online through Canvas
Tuition: No charge

This preparatory program is designed for students who are scheduled to enroll in Earth Science for the first time in the upcoming school year (middle school or high school). This program will help:

1. Further students' understanding of core Earth Science concepts, and
2. Strengthen students' foundational skills in the science and engineering practices they will need to be successful in Earth Science.

While students have a foundation of Earth Science topics in grade six science, the focus of the prep program will be to refresh basic content knowledge and skills.

Students do not earn a grade for this program as it is intended to allow students to build confidence in science content, skills and practices commonly used in Earth Science.

BIOLOGY PREP (SSC311)

Participants: High school students enrolling in Biology in Fall 2026
Link to access Canvas: <https://vbschools.instructure.com/enroll/MJXEHA>
Dates: June 16 - August 10
Times: Asynchronous
Locations: Online through Canvas
Tuition: No charge

This preparatory program is designed for students who are scheduled to enroll in Biology for the first time in the upcoming school year. This program will help:

1. Further students' understanding of core Biology concepts, and
2. Strengthen students' foundational skills in the science and engineering practices that they will need to be successful in Biology.

While students have a foundation of Biology topics through middle school science classes, the focus of the prep program will be to refresh basic content knowledge and skills. Students do not earn a grade for this program as it is intended to allow students to build confidence in science content, skills and practices commonly used in Biology.

CHEMISTRY PREP (SSC411)

Participants: High school students enrolling in Chemistry in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/YYKCMP>

Dates: June 16 - August 10

Times: Asynchronous

Locations: Online through Canvas

Tuition: No charge

This preparatory program is designed for students who are scheduled to enroll in Chemistry for the first time in the upcoming school year. This program will help:

1. Further students' understanding of core Chemistry concepts, and
2. Strengthen students' foundational skills in the science and engineering practices they will need to be successful in Chemistry.

While students have a foundation of Chemistry topics through middle school science classes, the focus of the prep program will be to refresh basic content knowledge and skills. Students do not earn a grade for this program as it is intended to allow students to build confidence in science content, skills and practices commonly used in Chemistry.

PHYSICS PREP (SSC412)

Participants: High school students enrolling in Physics in Fall 2026

Link to access Canvas: <https://vbschools.instructure.com/enroll/BYMHWK>

Dates: June 16 - August 10

Times: Asynchronous

Locations: Online through Canvas

Tuition: No charge

This preparatory program is designed for students who are scheduled to enroll in Physics for the first time in the upcoming school year. This program will help:

1. Further students' understanding of core Physics concepts, and
2. Strengthen students' foundational skills in the science and engineering practices they will need to be successful in Physics.

While students have a foundation of Physics topics through middle school science classes, the focus of the prep program will be to refresh basic content knowledge and skills. Students do not earn a grade for this program as it is intended to allow students to build confidence in science content, skills and practices commonly used in Physics.

SOL FAST TRACK TUTORING

SOL Fast Track Tutoring is available for students who need to retake an SOL course to meet the Standards of Learning (SOL) verified credit diploma criteria or the CTE certification graduation requirement. SOL Fast Track Tutoring is offered at no cost. SOL Fast Track tutoring is face-to-face instruction and held at one of the two high school host summer school sites. SOL Fast Track Tutoring is optional and may be adjusted based on enrollment. This voluntary program is available to current middle and high school students who have passed the class and received Carnegie credit but have not earned verified credit or as a high school student who has not earned a CTE certification because they did not pass the corresponding SOL, or the W!SE certification exam, or did not take the corresponding SOL end-of-course (EOC) test.

Fast Track Scheduling		
Fast Track Course	Dates/ Times for Students	SOL Test Dates and Times for Students
English: Writing	July 6 - 13 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	Students will take the WorkKeys test in class on July 13 (SOL Alternative Test) Writing SOL Test July 20-23 9:10 a.m. Start Time
Earth Science Biology Chemistry	July 6 - 13 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	Science SOL Tests July 14 9:10 a.m. Start Time
W!SE Financial Literacy	July 6 - 13 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	W!SE Exam July 13 9:10 a.m. - 1:10 p.m.
English: SOL Reading	July 7-14 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	Reading SOL Test July 15 9:10a.m. Start Time
World Geography World History I World History II Virginia & U.S. History	July 16 - 23 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	History SOL Tests July 27 9:10a.m. Start Time
English: WorkKeys Reading	July 20-27 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	Students will take the WorkKeys test in class July 28 (SOL Substitute Test)

Fast Track Scheduling		
Fast Track Course	Dates/ Times for Students	SOL Test Dates and Times for Students
Algebra I Algebra II Geometry	July 21-28 Monday - Thursday 9:10 a.m. - 1:10 p.m. (No Classes on Fridays)	Math SOL Tests July 29 9:10a.m. Start Time

*An optional summer tutoring program entitled Fast Track W!SE Financial Literacy Test is provided to support students who must meet the required CTE industry certification criteria to meet their graduation requirements. This voluntary program is available to students who have passed their classroom instruction and received credit but have not satisfied the CTE certification component due to failing the corresponding W!SE certification exam. Fast Track tutoring consists of up to 25 hours of small group instruction culminating in the retake of the W!SE Financial Literacy certification. Questions concerning this program should be directed to your student's school counselor.

Students and families should note that all programs are dependent on enrollment and the availability of qualified and endorsed instructional staff. Enrollment in some courses may be limited due to space at a particular school. If a course is canceled due to insufficient enrollment, students may be allowed to enroll in the course at another site. Transportation outside the cluster is not provided.

ATTENDANCE AND CONDUCT ATTENDANCE

ATTENDANCE

Attendance during summer school is monitored in accordance with School Board Policy 5-17. Teachers will maintain an accurate record of attendance/absences by class session.

Students are expected to attend each class session each day face-to-face (Monday through Thursday). A student will not be granted credit or considered for promotion to the next grade level if absent more than two (2) class sessions..

A parent/guardian may request a waiver of the summer school attendance policy by submitting the standard waiver request form to the summer school principal at the end of the summer school session. Appeals should be forwarded to the Office of Student Leadership.

CONDUCT

The [Behavior Support and Student Code of Conduct](#) will remain in effect during Summer School 2026. The *Behavior Support and Student Code of Conduct* outlines the expectations for student behavior. Any students taking courses through Canvas are expected to adhere to the VBCPS online conduct and [Acceptable Use Policy](#). Students who do not follow the *Behavior Support and Student Code of Conduct* and *Acceptable Use Policy* may be subject to disciplinary action and possible removal from the course. If a student is dismissed due to behavior, he or she is not eligible for a refund of summer school tuition.

SUMMER SCHOOL 2026 HOST/CLUSTER SITES and TRANSPORTATION

SUMMER SCHOOL HOST/CLUSTER SITES

Schools are grouped together to form cluster sites for face-to-face, repeat summer school programming. The first school listed in each line (in bold print) is the host summer school site. Cluster schools will attend the host summer school site.

HOST SITE	CLUSTER SCHOOLS		
Ocean Lakes High School	Cox HS	First Colonial HS	Green Run HS
	Kellam HS	Landstown HS	Ocean Lakes HS
Tallwood High School	Bayside HS	Kempsville HS	Princess Anne HS
	Salem HS	Tallwood HS	
Renaissance Academy	Division-wide Day Treatment	Division SECEP ReEd (K-12) & Secondary ASP/EBICS	K-12 Supportive Therapeutic Education Program (STEP)
Princess Anne High School	Secondary (FAF, AAF), Secondary CC & STEP K-12 & MS FAF, ESY		

Note: Students who have been removed from their home or enrolled schools through the beginning of next school year as a result of disciplinary infractions, are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. Parents/legal guardians/students are responsible for providing transportation to alternate sites.

Questions regarding summer school host/ cluster sites should be directed to the summer school office at summerschool@vbschools.com.

TRANSPORTATION

Schools are grouped together to form transportation clusters. Bus transportation is available for many programs from neighborhood pickup points within the cluster to designated summer school sites. If transportation is provided for a specific program, it will be listed with the information in this guide describing the program. **Transportation is provided to the student's zoned host summer school site.** Parents/guardians and students are responsible for providing transportation to alternate sites. To access transportation support visit <https://www.vbschools.com/families/transportation>.

TRANSFER OF CREDIT

Summer school courses not taken in Virginia Beach City Public Schools must meet the requirements of courses taken in Virginia Beach City Public Schools. It is the responsibility of the student and/or parent/guardian to obtain prior written permission from the principal of the student's current school to determine credits earned in summer school outside Virginia Beach City Public Schools.

Dr. Donald J. Robertson Jr.
Superintendent

Matthew D. Delaney
Chief Academic Officer
Department of Teaching and Learning

Robert B. Jamison
Executive Director
Office of Student Support Services

Notice of Non-Discrimination Policy

Virginia Beach City Public Schools does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation/gender identity, pregnancy, childbirth or related medical condition, disability, marital status, age, genetic information or military status in its programs and activities, employment, or enrollment and provides equal access to the Boy or Girl Scouts and other designated youth groups. School Board policies and regulations (including but not limited to, Policies 2-33, 4-4, 5-4, 5-7, 5-19, 5-20, 5-31, 5-44, 6-7, 6-33, 7-48, 7-49, 7-57 and Regulations 2-33.1, 4-4.1, 4-4.2, 4-4.3, 5-7.1, 5-44.1, 5-44.2, 7-11.1 and 7-57.1) provide equal access to courses, programs, enrollment, counseling services, physical education and athletic, vocational education, instructional materials, extracurricular activities, and employment.

Title IX Notice: Complaints or concerns regarding discrimination on the basis of sex or sexual harassment should be addressed to the Title IX Coordinator, Robin Reese, Ed.D., at the VBCPS Office of Student Leadership, 641 Carriage Hill Road, Suite 200, Virginia Beach, VA 23452, (757) 263-2020, Robin.Reese@vbschools.com. Additional information regarding Virginia Beach City Public Schools' policies regarding discrimination on the basis of sex and sexual harassment, as well as the procedures for filing a formal complaint and related grievance processes, can be found in School Board Policies 5-31, 5-44 and School Board Regulations 5-44.1, 5-44.2 (students), School Board Policy 4-4 and School Board Regulation 4-4.3 (employees) and on the School Division's website <https://www.vbschools.com/about/titleix>. Concerns about the application of Section 504 of the Rehabilitation Act should be addressed to the Section 504 Coordinator/Executive Director of Student Support Services at (757) 263-1980, 641 Carriage Hill Road, Suite 100, Virginia Beach, VA 23452, or the Section 504 Coordinator at the student's school. For students who are eligible or suspected of being eligible for special education or related services under IDEA, please contact the Office of Programs for Exceptional Children at (757) 263-2400, Plaza Annex/Family and Community Engagement Center, 641 Carriage Hill Road, Suite 200, Virginia Beach, VA 23452.

The School Division is committed to providing educational environments that are free of discrimination, harassment, and bullying. Students, staff, parents/legal guardians who have concerns about discrimination, harassment, or bullying should contact the school administration at their school. Promptly reporting concerns will allow the school to take appropriate actions to investigate and resolve issues. School Board Policy 5-7 addresses non-discrimination and anti-harassment, Policy 5-44 addresses sexual harassment and discrimination based on sex or gender. Policy 5-36 and its supporting regulations address other forms of harassment.
