50 Years, One Legend: Roseville High's Only Head Coach Ever Hangs Up the Whistle!

Roseville, CA – There is no kicking and screaming as we blow the final whistle on this chapter, only thunderous applause! Roseville High School and the surrounding community are uniting to celebrate the monumental career of Coach Pablo Gutierrez.

After concluding his 50th season, Coach Pablo is moving on to his next adventure. His story is unique in the history of high school athletics: In 1976, he founded the RHS boys' soccer program, and for half a century, he served as the **only head coach the program has ever known**. He didn't just coach the team; he built the dynasty, the culture, and the legacy that is cemented in the foundation of this City.

Coach Gutierrez's impact is unmatched. In addition to leading the boys for 50 years, he founded and led the Roseville High Girls' Soccer program for 27 seasons (1983-2010). Between the two programs, he has coached a staggering 76 total seasons.

His resume is a masterclass in consistency and excellence. With five decades of continuous service, Coach Pablo has amassed a historic record:

- **824 Career Wins** (with only 294 losses and 166 ties)
- **37 League Championships** combined across both programs
- **5 Sac-Joaquin Section Championships**
- **Hall of Famer:** Inducted into the Mexican-American Hall of Fame Sports Association in 2000
- **Top Honors:** 10-time SFL League Coach of the Year and 1992 All-Metro Coach of the Year

We invite the community, alumni, and fans to witness history. **Friday, February 6 at 7 PM** will be the last game that Coach Pablo will coach for Roseville High School.

Let's pack the stands and send off the man who built Roseville Soccer from the ground up with the same passion he gave us for 50 years!
