

Pool Update

This February, Norfolk Academy began an exciting project to enhance our locker room facilities and other areas within our athletic complex. As part of this ongoing work, the decision has been made to resurface and improve the condition of our pool.

Because of these important upgrades, the pool will not be available to campers this summer. We know the pool is a favorite part of camp, and we share your disappointment. At the same time, we also know that summer just isn't complete without plenty of opportunities to cool off and have fun in the water!

With that in mind, we're thrilled to introduce something new—our very first "Water Wonderland", created in partnership with Frogman's Party Rentals!

Campers can look forward to lots of fun in the sun as they slip, slide, and splash on a variety of water slides and inflatables. With campers of all ages on campus, we'll be offering options designed to be fun and engaging for everyone. These features will be available four days each week and will rotate to keep things fresh and exciting. Our Water Wonderland will be supervised by our Summer at the Academy lifeguards, along with trained staff from Frogman's.

In addition to the slides, our team is planning a variety of water-based games and activities that will change from week to week—everything from foam parties and water tag to water balloons and more! We know that you expect a camp experience that is not only fun and engaging but also held to the highest standards of quality and safety. Please know that every activity is thoughtfully planned and carefully supervised to ensure a safe, well-organized, and memorable experience for all campers. We are committed to delivering the level of excellence you've come to expect, and we won't disappoint! While we know the pool will be missed, we're confident that Water Wonderland will bring a new level of energy, excitement, and summer fun for our campers. We can't wait to make this a memorable season for everyone!

We will share more details about Water Wonderland as we get closer to camp.

If you are registered for a Swim Academy, those fees will be transferred to any outstanding balance. If all fees are paid, Swim Academy fees will be refunded to the credit card on file.

We appreciate your support for continuing to elevate Summer at the Academy as one of the best summer programs in Hampton Roads!
